Re: Per Diem Expenses - Resolution

Dear Mr. Cardoza:

NMSA 10-8-4(H) provides that the rate of partial day per diem is set in accordance with regulations of the department of finance and administration or the governing board. Carolyn Wolf, attorney for D.F.A. has advised me that D.F.A. does not purport to set partial day per diem for local government. Therefore, the resolution is in compliance with state law.

However, it should also be noted that according to Ms. Wolf, if partial day per diem is paid for time spent away from the office during normal working hours, it is taxable compensation and taxes should be withheld.

If you have further questions, please contact me.

Sincerely,

Curtis Hayes
Assistant District Attorney
