

RESOLUTION NO. 93-02-18E

COMPREHENSIVE PLAN FOR MATERNAL AND CHILD HEALTH CARE SERVICES FOR THE COUNTIES OF GRANT AND HIDALGO

WHEREAS, the Grant County Commission meeting, in regular public session, on February 18, 1993, has reviewed and approved a COMPREHENSIVE PLAN FOR MATERNAL AND CHILD HEALTH CARE SERVICES FOR THE COUNTIES OF GRANT AND HIDALGO.

WHEREAS, the PLAN demonstrates that it can provide the manner for complementing existing services and creating new program service initiatives that the SOUTHWEST MATERNAL AND CHILD HEALTH COUNCIL has determined to be less than adequate levels in the two county area. The PLAN also demonstrates that the COUNCIL has given careful thought and consideration on how to seek and find new resources, human and financial, to bring about more and better services to our area. The PLAN also shows that services provided under a work program growing out of this plan will be available to all citizens in the two counties and that no person will be denied these services because of the inability to pay.

BE IT RESOLVED, that the Board of Commissioners of Grant County pledge to work closely with the MATERNAL CHILD HEALTH CARE COUNCIL to help it meet its stated goals of bringing better maternal and child care services to all citizens in our two counties.

PASSED, ADOPTED AND APPROVED, this 18th day of February, 1993.
