Dear Governor King:

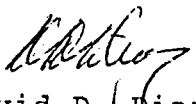

Due to cuts in its budget, Planned Parenthood is in danger of having to close its doors. Planned Parenthood staff approached the Grant County Commission with a request for funding for the program.

The County Commission recognizes that the program provides invaluable services to the citizens of Grant County. Unfortunately, Grant County is in no position to expend any more monies at this time.

The Grant County Commission respectfully requests that you consider providing additional funding to Plan Parenthood in Grant County. Attached is a copy of Resolution No. 93-12-16 in support of the program.

Thank you for the consideration you give to this request.

Sincerely,

David D. Diaz, Chairman
Grant County Commission
