

## Support of Vocational/Technological Training Center Resolution #R-04-29

WHEREAS the Grant County Commission and the municipalities within Grant County recognize that a healthy and vibrant economy requires a skilled workforce and cannot rely on a single industry to survive, and

WHEREAS the County and municipalities recognize that a skilled workforce requires vocational and technical training that is accessible and affordable to students about to enter the workforce, and

WHEREAS the County and the municipalities seek to provide educational opportunities to meet the needs of business, government and a diverse population, and

WHEREAS the County and the municipalities recognize that a comprehensive vocational technical institution can enhance the quality of education and opportunity for residents of Southwest New Mexico, and

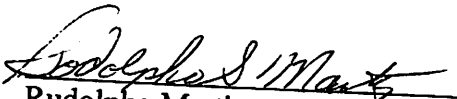

WHEREAS the County and the municipalities recognize that continuing education and technical development can create more career opportunities for success that benefits the entire community,

NOW, THEREFORE BE IT RESOLVED THAT the Grant County Commission and the other local jurisdictions indicated below hereby request the Governor and Legislature to favorably consider the establishment and funding of a vocational and technical institution to be located in Grant County.

Approved by the signatures of the Chairperson and Mayors below signed.

  
Terry Fortenberry, Mayor      Date  
Town of Silver City
