Re: Recommendation for the Canyon Country Estates Subdivision

Steve and Debora Berry have requested approval of construction and acceptance for maintenance of the Canyon Country Estates Subdivision. In my capacity of Grant County Road Superintendent I have conducted a final inspection and found all construction of the above mentioned subdivision to meet or exceed the requirement set by the Grant County Subdivision Regulations as well as the New Mexico State Highway and Transportation Department Standards for Roadway and Bridge Construction.

Therefore I recommend that the Canyon Country Estates Subdivision be approved for construction as well as accepted for maintenance by the Grant County Road Department.
