**Re:** Recommendation for the Dos Griegos Subdivision Phase 4 and 5

---

Jim Carris from Dos Griegos Limited Partnership has requested approval of construction and acceptance for maintenance of the Dos Griegos Subdivision Phase 4 and 5. In my capacity of Grant County Road Superintendent I have conducted a final inspection and found all construction of the above mentioned subdivision to meet or exceed the requirement set by the Grant County Subdivision Regulations as well as the New Mexico State Highway and Transportation Department Standards for Roadway and Bridge Construction.

Therefore I recommend that Dos Griegos Subdivision Phases 4 and 5 be approved for construction as well as accepted for maintenance by the Grant County Road Department.
