

Resolution No. R 10-28

A Resolution Determining that Proceeding with the Award of the Contract for the Construction of the Grant County Detention Center, Bid No. 09-11, is Necessary to Protect Substantial Interests of the County of Grant, New Mexico

WHEREAS, the County of Grant, New Mexico determined over five years ago that a new jail facility was greatly needed in Grant County due to the conditions of the thirty-six (36) year old facility, including poor design for function, supervision, and security; overcrowding; and mechanical problems; and

WHEREAS, the construction of a new Grant County Detention Center has been in the preparation and planning stages for more than five years, and the complete funds in the amount of \$10,000,000 (through general obligation bonds) for the project were finally obtained in July of 2009; and

WHEREAS, Grant County published the long awaited Legal Notice of Invitation for Bids on April 23 and April 30, 2010, Silver City Daily Press; and

WHEREAS, the Invitation for Bids was for the construction of the Grant County Detention Center, Bid No. 09-11 ("Project"); and

WHEREAS, the deadline for the receipt of bids was Wednesday, May 26, 2010, at 3:00 p.m., and the bid opening for the Project was held on Wednesday, June 2, 2010; and

WHEREAS, the County received eleven bids that came in within the budget available for the project and are very favorable to the County as is; and

WHEREAS, the eleven bids will expire within thirty (30) days of the bid opening; and

WHEREAS, the County has received three protests in regard to Bid No. 09-11, which have been resolved at the County level through the issuance of a Determination for each protest; and

WHEREAS, in order for the County to receive the benefit of such favorable bids, it must proceed with awarding the contract for Bid No. 09-11 prior to the thirty-day expiration period for the bids; and

WHEREAS, due to the unpredictability of the economy at this time, it is highly possible that the County will not receive such favorable bids that are within the allotted budget if it has to prolong the bid process and rebid the Project; and

WHEREAS, proceeding with this project at this time is vital in addressing the issues described herein.

NOW, THEREFORE, BE IT RESOLVED by the Board of Grant County Commissioners that:

1. The Grant County Board of Commissioners hereby determines that the award of the contract for the construction of the Grant County Detention Center, Bid No. 09-11, is necessary to protect substantial interests of the County of Grant, New Mexico; and
2. This Resolution shall be retained in the procurement file for Bid No. 09-11.

DONE this 28 day of June 2010, in Silver City, New Mexico.
