The Loan shall be payable solely from Pledged Revenues and nothing in this Agreement shall be construed as obligating the Borrower/Grantee to pay the Loan from any general or other fund of the Borrower/Grantee other than the Pledged Revenues; however, nothing in this Agreement or the Intercept Agreement shall be construed as prohibiting the Borrower/Grantee in its sole and absolute discretion, from making such payments from any monies which may be lawfully used, and which are legally available, for that purpose.

(h) No Breach or Default Caused by Agreement or Intercept Agreement. Neither the execution and delivery of this Agreement or the Intercept Agreement, nor the fulfillment of or compliance with the terms and Conditions in this Agreement and the Intercept Agreement, nor the consummation of the transactions contemplated herein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Borrower/Grantee is a party or by which the Borrower/Grantee is bound, or any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Borrower/Grantee or its properties are subject, or constitutes a default under any of the foregoing.

(i) Irrevocability of Enactments. While this Agreement and the Intercept Agreement remain outstanding, any ordinance, resolution or other enactment of the Governing Body accepting the terms hereof, pledging the Pledged Revenues, or in any way relating to the Loan/Grant or this Agreement or the Intercept Agreement, including the Resolution, shall be irrevocable until the Project has been fully acquired and completed, and shall not be subject to amendment or modification in any manner which would result in any use of the proceeds of this Agreement and the Intercept Agreement in a manner not permitted or contemplated by the terms hereof.

(j) No Litigation. To the knowledge of the Borrower/Grantee after due investigation, no litigation or proceeding is pending or threatened against the Borrower/Grantee or any other person affecting the right of the Borrower/Grantee to execute this Agreement or to comply with its obligations hereunder.

(k) No Event of Default. No event has occurred and no condition exists which, upon the execution and delivery of this Agreement and the Intercept Agreement, would constitute an Event of Default on the part of the Borrower/Grantee hereunder.

(l) Borrower/Grantee's Existence. The Borrower/Grantee will maintain its legal identity and existence so long as this Agreement remains outstanding unless another Political Subdivision of the State, State agency, or other entity by operation of law succeeds to the liabilities, rights and duties of the Borrower/Grantee under this Agreement without adversely affecting to any substantial degree the privileges and rights of the Lenders/Grantors, and that entity is a Qualified Entity.

(m) Budgeting of Pledged Revenues; Approval by Department of Finance and Administration. The Borrower/Grantee anticipates that the Pledged Revenues will be sufficient to make the Loan Payments, as and when due. The Borrower/Grantee will adequately budget for the Loan Payments and other amounts payable by the Borrower/Grantee under this Agreement and the Intercept Agreement and will submit such budget on an annual basis to the Department of Finance and Administration for review and verification of compliance with this requirement.

(n) Use of Project; Continuing Covenant. Other than as outlined in subparagraph (l) above, if any of the proceeds of the Loan/Grant will be used for installation or construction, the Borrower/Grantee shall not sell, lease, mortgage, pledge, relocate or otherwise dispose of or transfer the Project or any part of the Project during the Useful Life; provided, however, that if the Project is a joint project of the Borrower/Grantee and other Qualified Entities (as defined by the Act), the Borrower/Grantee and the other Qualified Entities may, with the express written approval of the Lenders/Grantors and not otherwise, enter into an agreement allocating ownership and operational and maintenance responsibilities for the Project during its Useful Life. Any such agreement shall provide that the Lenders/Grantors, or either of them, shall have the power to enforce the terms of this Agreement, without qualification, as to each and every Qualified Entity owning or operating any portion of the Project during its Useful Life.

(o) Expected Coverage Ratio. The Pledged Revenues from the Fiscal Year in which the Closing Date occurs are reasonably expected to equal or exceed and, on an ongoing basis during each Fiscal Year during the Agreement Term, are reasonably expected to equal or exceed one hundred percent (100%) of the maximum annual principal and interest due on all outstanding debt of the Borrower/Grantee payable from the Pledged Revenues.

(p) Pledged Tax Revenues Covenants; Release upon Application and Approval. Pursuant to NMSA 1978, § 7-1-6.13, as amended and NMSA 1978, § 7-1-6.15, as amended, the Distributing State Agency collects and transfers to the Borrower/Grantee a local option gross receipts tax imposed by the Borrower/Grantee in an amount, subject to any increase or decrease made pursuant to NMSA 1978, § 7-1-6.15, as amended, equal to the net receipts attributable to the first one-eighth (1/8) of one-percent (.125%) increment known as the county gross receipts tax on the gross receipts of all persons engaging in business within the boundaries of the Borrower/Grantee, which transfers the Borrower/Grantee pledges to the payment of and covenants for the performance of its obligations under this Loan/Grant Agreement.

(q) Records and Reporting. The Borrower/Grantee shall maintain financial records in accordance with Generally Accepted Accounting Principles throughout the Agreement Term, conduct an audit of the Project's financial records if requested by the CIB or the Finance Authority and provide any and all other information and access to the Project as requested by the CIB or the Finance Authority.

(r) Acquisition and Completion. The Borrower/Grantee hereby agrees that in order to effectuate the purposes of this Agreement and to acquire and complete the Project it shall take such steps as are necessary and appropriate to acquire, and complete the Project lawfully and efficiently in accord with all applicable laws, ordinances, resolutions and regulations relating to the acquisition, and completion of the Project and use of the Loan/Grant proceeds. The plans and specifications for the Project shall incorporate available technologies and operational design for water use efficiency described in the approved plans and specifications. No Loan/Grant funds shall be used for items not constituting Eligible Items.

(s) Use of Grant Proceeds for Construction; Other Qualified Entities. If any of the proceeds of the Loan/Grant are used for construction, the Borrower/Grantee shall operate and maintain the Project in good operating condition and repair at all times during the Useful Life of the Project, so that the Project will function properly over the Useful Life of the Project; provided, that if any portion of the Project will be constructed, installed, located, completed or extended on real property owned by a Qualified Entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may, prior to any use of the Loan/Grant funds for the Project on such real property, obtain the written agreement of such other Qualified Entity to perform these obligations with respect to such real property (and the portion of the Project to be constructed, installed, located, completed or extended on such real property), which written agreement shall be subject to approval by the Lenders/Grantors and shall include an express statement by such other Qualified Entity that the Lenders/Grantors are third party beneficiaries of such written agreement.

(t) Local Match. The Local Match is legally available for the Project, has been applied or set aside by the Borrower/Grantee solely for the purposes of the Project and sufficient evidence of the Local Match has been provided and will be continued to be provided as part of the Borrower/Grantee's quarterly reporting as outlined in Section 7.1 and as otherwise requested by the Finance Authority. The Borrower/Grantee hereby covenants that the value of labor and/or equipment at fair market rates is sufficient to meet the required Local Match and the labor and/or equipment has been or will be donated for the scope of work on the proposed Project, as described on the Term Sheet.

(u) Audit Requirement. During the Agreement Term the Borrower/Grantee shall comply with the requirements of the State Audit Act, NMSA 1978, §§ 12-6-1 through 12-6-14, as amended, and provide the CIB and Finance Authority with a copy of any audit prepared pursuant to the State Audit Act.

ARTICLE III AGREEMENT TERM

The Agreement Term shall commence on the Effective Date and shall terminate upon the earliest of the following events: a determination by the CIB or Finance Authority, in its sole discretion, that (a) the Borrower/Grantee is unable to proceed with the Project for the foreseeable future; (b) the Borrower/Grantee has failed to commence the Project in a reasonably timely manner as determined by the CIB or Finance Authority, each in its sole discretion; (c) the Loan/Grant or any portion thereof is not necessary for the Project (in which case the Loan/Grant Amount may be modified by the Finance Authority); (d) the Borrower/Grantee has not expended the funds within three (3) years of the Closing Date; or (e) the Useful Life of the Project has ended, which in any event shall not exceed thirty (30) years.

ARTICLE IV LOAN/GRANT TO THE BORROWER/GRANTEE; INVESTMENT OF MONEYS

Section 4.1 Loan and Grant to the Borrower/Grantee.

(a) Loan to the Borrower/Grantee. The Lenders/Grantors hereby lend to the Borrower/Grantee and the Borrower/Grantee hereby borrows from and agrees to pay to the order of the Lenders/Grantors, without interest, an amount equal to the Loan Amount, with the principal amount of the Loan Amount being payable as provided by Exhibit "C" of this Agreement. The Loan Amount shall be pre-payable by the Borrower/Grantee at any time without penalty.

(i) Subordinate Nature of Loan Amount Obligation. The obligation of the Borrower/Grantee to make the Loan Payments shall be subordinate to all other indebtedness secured by the Pledged Revenues existing on the Closing Date and, further, that may in the future be secured by the Pledged Revenues; except, however, that the obligation of the Borrower/Grantee to make the Loan Payments shall be on parity with any other obligation, present or future, of the Borrower/Grantee to repay a loan provided by the Lenders/Grantors pursuant to the Colonias Infrastructure Act or the Water Project Finance Act, NMSA 1978, §§ 72-4A-1 through 72-4A-10, as amended.

(ii) Hardship Waivers of Payment. Each year while any portion of the Loan Amount remains outstanding, if a Borrower/Grantee has encountered an unforeseeable hardship, no later than April 1 of each such year, the Borrower/Grantee may apply in writing to the Finance Authority and the DFA for a determination of whether the annual principal payment on the Loan Amount otherwise due on the upcoming June 1 of such year should be forgiven because such payment would cause undue hardship for the Borrower/Grantee or the constituent public the Borrower/Grantee serves. Although such determination shall be made by the Finance Authority and the DFA, the Borrower/Grantee shall submit such application to DFA through the Finance Authority for determination by both the Finance Authority and the DFA and shall submit with such application sufficient documentation of the existence of such undue hardship as is reasonably required by the Finance Authority and DFA (as determined by the Finance Authority and DFA) to make such determination, and the Borrower/Grantee shall promptly

respond to additional requests for information from DFA or the Finance Authority. Such application shall be executed by the Authorized Officers of the Borrower/Grantee. For purposes of this Agreement and that determination, an "undue hardship" may be deemed to exist if the Finance Authority and the DFA determines that the Borrower/Grantee demonstrates economic need and the inability to pay on a timely basis such annual payment on the Loan Amount. The Finance Authority shall communicate the decision to the Borrower/Grantee in writing of the results of such determination. Upon receipt of written notice of such determination, either the principal payment otherwise due on June 1 of such year shall be forgiven (in the event of a determination of undue hardship) or such principal payment shall remain outstanding and due and payable on such date (in the event no undue hardship is determined to exist).

(iii) Loans made on planning projects may be converted to grants if the Borrower/Grantee agrees to and completes technical assistance for managerial, technical, and financial capacity as provided by the Policies.

(iv) Constitutional and Statutory Debt Limitations. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the CIB, the Finance Authority, the State or the Borrower/Grantee within the meaning of any constitutional or statutory debt limitation.

(b) Grant to the Borrower/Grantee. The Lenders/Grantors hereby grant to the Borrower/Grantee and the Borrower/Grantee hereby accepts from the Lenders/Grantors an amount equal to the Grant Amount subject to the terms of this Loan/Grant Agreement.

(c) Project Account. The Finance Authority shall establish and maintain the Project Account as a book account only, on behalf of the Borrower/Grantee, which account shall be kept separate and apart from all other accounts of the Finance Authority. The Borrower/Grantee hereby pledges to the Lenders/Grantors all its rights, title and interest in the Loan/Grant Amount including the Project Account, and the Expenses for the purpose of securing the Borrower/Grantee's obligations under this Agreement.

Section 4.2 Investment of Borrower/Grantee's Accounts. Money on deposit in the Borrower/Grantee's accounts created hereunder and held by the Finance Authority may be invested by the Finance Authority for the credit of the Fund.

Section 4.3 Loan/Grant Amount Does Not Exceed Total Cost. The sum of the Loan/Grant Amount and the Local Match (and as set forth on the Term Sheet) does not exceed the cost of the Project and the Expenses, which sum, along with other monies reasonably expected to be available to the Borrower/Grantee, is sufficient to complete the Project and pay the Expenses.

ARTICLE V

LOAN/GRANT AMOUNT DISBURSEMENT CONDITIONS

Section 5.1 Conditions Precedent to Disbursement of Loan/Grant Amount. Prior to the disbursement of the Loan/Grant Amount or any portion thereof by the Finance Authority from the Fund, the following conditions shall be satisfied:

Loan/Grant Agreement

12

Grant County, Loan/Grant No. 3352-CIF

(a) The Finance Authority, on behalf of the CIB, shall have determined that the Borrower/Grantee has met the Conditions established for the Loan/Grant by the Finance Authority and the CIB; and

(b) Prior to disbursement of any portion of the Loan/Grant Amount for planning and design, the Borrower/Grantee shall have provided written assurance addressed to the CIB and the Finance Authority and signed by an attorney (or shall have provided a title insurance policy) that the Borrower/Grantee has proper title to or easements, rights of way, or permits on the real property upon or through which the planning and design phase is to be conducted, or if acquisition and completion of the Project does not require physical or visual access to existing lands or facilities, the Borrower/Grantee shall have provided written assurance addressed to the CIB and the Finance Authority and signed by an attorney certifying that no title to, easements, rights of way, or permits are necessary to acquire and complete the Project; and

(c) The Borrower/Grantee shall be in compliance with the provisions of this Agreement; and

(d) No Event of Default has occurred; and

(e) The Borrower/Grantee shall have provided any other information requested by the Finance Authority or CIB in its absolute discretion including documentation sufficient to make a determination whether any requested disbursement is for payment of Eligible Items and is fully consistent with the Act, the Rules, and the Policies, as applicable.

Section 5.2 Accounting for Amounts Credited to the Project Account. So long as Section 5.1 has been complied with and all Conditions to the disbursement of the Loan/Grant Amount have been satisfied (including approval of all plans and specifications), upon receipt by the Finance Authority of a requisition substantially in the form of Exhibit "B" attached hereto signed by an Authorized Officer of the Borrower/Grantee, supported by certification by the Borrower/Grantee's project architect, engineer, or such other authorized representative of the Borrower/Grantee that the amount of the disbursement request represents the progress of design, construction, acquisition or other Project-related activities accomplished as of the date of the disbursement request, the Finance Authority shall seek funds sufficient to satisfy the request and, upon receipt of those funds disburse from the Fund, amounts which together are sufficient to pay the requisition in full or that portion approved by the Finance Authority or CIB in their sole discretion. The certification provided pursuant to this Section 5.2 in support of the requisition must be acceptable in form and substance to the Finance Authority and, at its request, the CIB. The Borrower/Grantee shall provide such records or access to the Project as the Finance Authority, and, at its request, the CIB, in the discretion of each, may request in connection with the approval of the Borrower/Grantee's requisition requests made hereunder.

Section 5.3 Acknowledgment and Non-liability for Funding Interruption. The Borrower/Grantee hereby acknowledges that the Finance Authority may be required to seek or request funds to satisfy the request outlined in Section 5.2 from an agency, instrumentality or other Political Subdivision of the State and that the Lenders/Grantors may have no control or authority over those entities. The Borrower/Grantee hereby agrees to waive on behalf of itself

and indemnify and hold the Lenders/Grantors harmless from any and all third party claims, liability or damage that may or could be caused as a result of a delay or denial of funds related to or arising from the procedure described above or any other mechanism necessary or required to request, secure or process funds.

Section 5.4 No Disbursement for Prior Expenditures Except upon Approval. No disbursement shall be made from the Fund, of the Loan/Grant Amount, or any portion thereof, without the approval of the Finance Authority and, at its request, the CIB, to reimburse any expenditure made prior to the Closing Date.

Section 5.5 Completion of Disbursement of Loan/Grant Funds. Upon the earlier of (1) the completion of the Project, or (2) the expenditure of the whole Loan/Grant Amount, an Authorized Officer of the Borrower/Grantee shall deliver a certificate to the Finance Authority and the CIB, substantially in the form of Exhibit "E" attached hereto, stating that, to his or her knowledge, either (1) the Project has been completed, or (2) that the portion of the Loan/Grant Amount needed to complete the Project has been disbursed in accordance with the terms of this Agreement. No portion of the Loan/Grant Amount shall be disbursed after the date which is three (3) years from the Closing Date, unless a later date is approved in writing by an Authorized Officer of the CIB and an Authorized Officer of the Finance Authority.

Section 5.6 Application of Project Account Subsequent to Disbursement of Loan/Grant Amount; Termination of Pledge. Upon the first to occur of either (a) completion of the disbursement of the Loan/Grant Amount as signified by delivery of the completion certificate contemplated in Section 5.5 hereof; or (b) the earlier expiration of the time allowed for disbursements of Loan/Grant funds as provided in Section 5.5 hereof, the Finance Authority shall transfer the amounts remaining on deposit in the Project Account in the Colonias Infrastructure Fund, to such other fund permitted by law. Upon such entry, the pledge of the Project Account established in this Loan/Grant Agreement shall terminate.

ARTICLE VI LOAN PAYMENTS BY THE BORROWER/GRANTEE

Section 6.1 Payment Obligations Limited to Pledged Revenues; Pledge of the Pledged Revenues. The Borrower/Grantee promises to make the Loan Payments, and other amounts owed by the Borrower/Grantee as provided by the Intercept Agreement and herein.

The Borrower/Grantee does hereby convey, assign and pledge unto the Finance Authority and grants a lien and security interest in and unto its successors in trust forever all right, title and interest of the Borrower/Grantee in and to (i) the Pledged Revenues to the extent required to make the Loan Payments, and other amounts owed by the Borrower/Grantee as herein provided subject to and subordinate to all other pledges of the Pledged Revenues existing on the Closing Date and, further, that may exist in the future (except only that the pledge of the Pledged Revenues herein shall be on a parity with any other pledge of the Pledged Revenues by the Borrower/Grantee to repay any obligations provided by the Lenders/Grantors pursuant to the Colonias Infrastructure Act and/or the Water Project Finance Act), and (ii) all other rights hereinafter granted, for securing of the Borrower/Grantee's obligations under this Agreement,

including payment of the Loan Amount, and other amounts owed by the Borrower/Grantee as herein provided, provided, however that if the Borrower/Grantee, its successors or assigns, shall well and truly pay, or cause to be paid the Loan Amount at the time and in the manner contemplated by this Agreement and the Intercept Agreement, according to the true intent and meaning hereof, and all other amounts due, or to become due under this Agreement in accordance with its terms and provisions then, upon such final payment or provision for payment by the Borrower/Grantee, the provisions of this Agreement and the Intercept Agreement and the rights created thereby with respect to the Loan Amount shall terminate and the Lenders/Grantors shall give a written release or such other confirmation as may be necessary to remove any encumbrances upon the Pledged Revenues; otherwise, such provisions of this Agreement and the Intercept Agreement shall remain in full force and effect.

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Borrower/Grantee and the Finance Authority, and the CIB acknowledge and agree that the obligations of the Borrower/Grantee under this Agreement and the Intercept Agreement are limited to the Pledged Revenues; and that this Agreement with respect to the Loan Amount and other amounts owed by the Borrower/Grantee as herein provided shall constitute a special, limited obligation of the Borrower/Grantee. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Borrower/Grantee within the meaning of any constitutional or statutory debt limitation. No provision of this Agreement shall be construed to pledge or to create a lien on any class or source of Borrower/Grantee's monies other than the Pledged Revenues, nor shall any provision of this Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Borrower/Grantee's monies including the Pledged Revenues. In addition, the Pledged Revenues not required to meet the obligation of the Borrower/Grantee under this Agreement may be utilized by the Borrower/Grantee for any other purposes permitted by law.

Section 6.2 Deposit of Payments of Loan Amount to Colonias Infrastructure Project Fund. All payments made by the Borrower/Grantee to the Finance Authority to make the Loan Payments shall be deposited into the Colonias Infrastructure Project Fund.

Section 6.3 Manner of Payment. The Loan Amount shall be payable by the Borrower/Grantee to the Lenders/Grantors in annual installments of principal payable on June 1 beginning in the year 2016 and continuing through the year 2035 as set forth more fully in Exhibit "C" to this Agreement. All payments of the Borrower/Grantee or payments made by the Distributing State Agency pursuant to the Intercept Agreement shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 10.1 of this Agreement. The obligation of the Borrower/Grantee or the Distributing State Agency pursuant to the Intercept Agreement to make payments hereunder or thereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Borrower/Grantee or the Distributing State Agency pursuant to the Intercept Agreement and the Finance Authority, any vendor or any other person, the Borrower/Grantee shall make all deposits hereunder or thereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall

the Borrower/Grantee or the Distributing State Agency pursuant to the Intercept Agreement assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder or thereunder.

Section 6.4 Borrower/Grantee May Budget for Payments. The Borrower/Grantee may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to make the Loan Payments and other amounts owed by the Borrower/Grantee hereunder; provided, however, the Borrower/Grantee has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

Section 6.5 Lenders/Grantors' Release of Lien and Further Assurances. Upon payment in full of the Loan Amount, and other amounts owed by the Borrower/Grantee as herein provided in this Agreement the Lenders/Grantors agree to execute a release of lien and to give such further assurances as are reasonably necessary to ensure that the Lenders/Grantors no longer hold or maintain any lien or claim against the Pledged Revenues.

ARTICLE VII ADMINISTRATION

Section 7.1 Borrower/Grantee Reporting to Lenders/Grantors. The Borrower/Grantee shall provide the Lenders/Grantors with a quarterly written report substantially in the form of Exhibit "D" attached hereto, or other report format as designated by the Finance Authority, and signed by an Authorized Officer of the Borrower/Grantee. The first quarterly report shall be due on March 31, 2016, and subsequent reports shall be due on each March 31, June 30, September 30 and December 31 thereafter until the report date next following final distribution of the Loan/Grant funds. The description of the status of the Project in each quarterly report shall include, among other information, (a) a comparison of actual and anticipated requests for distributions of Loan/Grant funds as of the report date with those anticipated as of the Closing Date, (b) a description of actual and anticipated changes in the cost estimates for the Project as of the report date compared with those anticipated as of the Closing Date, and (c) a description of the percentage of completion of the Project.

Section 7.2 Application of Project Account Subsequent to Disbursement of Loan/Grant Funds. Upon the completion of the Project as signified by delivery of the completion certificate required by Section 5.5 hereof, the Finance Authority shall determine, by reference to the Project Account, whether any portion of the authorized Loan/Grant Amount remains unexpended. If any of the Loan/Grant Amount remains unexpended, the funds shall be transferred by the Finance Authority to the appropriate account or fund in accordance with applicable law and the Borrower/Grantee shall have no right to access the funds. The Finance Authority shall further determine, in its sole discretion, whether any portion of such unexpended Loan/Grant Amount consists of severance tax bond funds and, if so, shall, within six (6) months of receipt of the completion certificate required by Section 5.5 hereof, cause such portion of the unexpended Loan/Grant Amount to be returned to the severance tax bond fund pursuant to NMSA 1978, § 7-27-10.1, as amended.

Section 7.3 Further Assurances and Corrective Instruments. The Lenders/Grantors and the Borrower/Grantee agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues and carrying out the intention hereof.

Section 7.4 Representatives of Lenders/Grantors or of Borrower/Grantee. Whenever under the provisions hereof the approval of the Lenders/Grantors, collectively or individually, or the Borrower/Grantee is required, or the Borrower/Grantee, or the Lenders/Grantors, collectively or individually, are required to take some action at the request of any of them, such approval or such request shall be given for the Lenders/Grantors, collectively or individually, or for the Borrower/Grantee, by an Authorized Officer of the Lenders/Grantors, collectively or individually, or the Borrower/Grantee, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.5 Selection of Contractors. All contractors providing services or materials in connection with the Project shall be selected in accordance with applicable provisions of the New Mexico Procurement Code, NMSA 1978, §§ 13-1-28 through 13-1-199, as amended, or, if the Borrower/Grantee is not subject to the New Mexico Procurement Code, shall be selected in accordance with a documented procurement process duly authorized and established pursuant to laws and regulations applicable to the Borrower/Grantee.

Section 7.6 Required Contract Provisions. The Borrower/Grantee shall require the following provisions in any contract or subcontract executed in connection with the Project to which the Borrower/Grantee is a party:

(a) There shall be no discrimination against any employee or applicant for employment because of race, color, creed, sex, religion, sexual preference, ancestry or national origin; and

(b) Any contractor or subcontractor providing construction services in connection with the Project shall post a performance and payment bond in accordance with the requirements of NMSA 1978, § 13-4-18, as amended.

ARTICLE VIII INSURANCE; NON-LIABILITY OF LENDERS/GRANTORS

Section 8.1 Insurance. The Borrower/Grantee shall carry general liability insurance or participate in the State's risk-management program and, to the extent allowed by the New Mexico Tort Claims Act, NMSA 1978, §§ 41-4-1 through 41-4-30, as amended, shall and hereby agrees to name the Lenders/Grantors as additional insureds with respect to all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition, completion or implementation of the Project or otherwise during the Agreement Term; provided, that if any portion of the Project will be constructed, located, completed or extended on real property owned by a Qualifying Entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may obtain the written agreement of such other Qualifying Entity to perform these insurance/risk-management program requirements for Borrower/Grantee with Loan/Grant Agreement

respect to such real property (and the portion of the Project to be constructed, located, completed or extended on such real property), which written agreement shall include an express statement by such other Qualifying Entity that the Lenders/Grantors are third party beneficiaries of such written agreement.

Section 8.2 Non-Liability of Lenders/Grantors.

(a) Lenders/Grantors shall not be liable in any manner for the Project, Borrower/Grantee's use of the Loan/Grant, the acquisition, implementation, construction, installation, ownership, operation or maintenance of the Project, or any failure to act properly by the Borrower/Grantee or any other owner or operator of the Project.

(b) Lenders/Grantors shall not be liable for the refusal or failure of any other agency of the State to transfer any portion of the Loan/Grant Amount in its possession, custody and control to the Finance Authority for disbursement to the Borrower/Grantee, or to honor any request for such transfer or disbursement of the Loan/Grant Amount.

(c) To the extent permitted by law, the Borrower/Grantee shall and hereby agrees to indemnify and save the Finance Authority and the CIB harmless against and from all claims, by or on behalf of any person, firm, corporation, or other legal entity, arising from the acquisition or operation of the Project during the Agreement Term, from: (i) any act of negligence or other misconduct of the Borrower/Grantee, or breach of any covenant or warranty by the Borrower/Grantee hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan/Grant Agreement proceeds and interest on the investment thereof. The Borrower/Grantee shall indemnify and save the Finance Authority and the CIB harmless, from and to the extent of the available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the CIB, shall defend the Finance Authority or the CIB, as applicable, in any such action or proceeding.

**ARTICLE IX
EVENTS OF DEFAULT AND REMEDIES**

Section 9.1 Events of Default Defined. Any one of the following shall be an "Event of Default" under this Agreement:

(a) Failure by the Borrower/Grantee to pay any amount required to be paid under this Agreement on the date on which it is due and payable; or

(b) Failure by the Borrower/Grantee to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower/Grantee by the Lenders/Grantors, collectively or individually, unless the Lenders/Grantors, collectively or individually shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured

within a period of time not materially detrimental to the rights of the Lenders/Grantors but cannot be cured within the applicable thirty (30) day period, the Lenders/Grantors, collectively or individually, will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower/Grantee within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of Force Majeure the Borrower/Grantee is unable to carry out the agreements on its part herein contained, the Borrower/Grantee shall not be deemed in default under this paragraph 9.1(b) during the continuance of such inability (but Force Majeure shall not excuse any other Event of Default); or

(c) Any warranty, representation or other statement by or on behalf of the Borrower/Grantee contained in this Agreement or in any instrument furnished in compliance with or in reference to this Agreement is determined to be false or misleading in any material respect in the sole discretion of the Finance Authority or CIB; or

(d) A petition is filed against the Borrower/Grantee under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the Finance Authority shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests; or

(e) The Borrower/Grantee files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Borrower/Grantee admits insolvency or bankruptcy or its inability to pay its debt as they become due or is generally not paying its debt as such debt become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Borrower/Grantee for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

Pursuant to Section 6.3 of the Loan/Grant Agreement and this Intercept Agreement, the Borrower/Grantee shall make timely payments of all Loan/Grant Agreement Payments on the Loan made by or on behalf of the Borrower/Grantee to the Finance Authority. Pursuant to this Intercept Agreement, all payments due on the Loan from the Pledged Revenues shall be paid by the Distributing State Agency to the Finance Authority or its designee, on behalf of the Borrower/Grantee, from scheduled distributions of the Pledged Revenues in accordance with the Intercept Schedule attached hereto as Exhibit "A" (the "Intercept Schedule").

This Intercept Agreement shall be deemed a written certification, authorization and request by the Borrower/Grantee to the Distributing State Agency, to pay to the Finance Authority, on behalf of the Borrower/Grantee, sums shown on the Intercept Schedule from monthly distributions of Pledged Revenues pursuant to NMSA 1978, § 7-1-6.13 and § 7-1-6.15(F), as amended, to insure compliance with the Loan/Grant Agreement and repayment of the Loan. Upon written notice to the Distributing State Agency from the Finance Authority, the amount of the Pledged Revenues to be paid to the Finance Authority shall be increased from the amounts shown on Exhibit "A" to defray any delinquencies in the payment of Loan Payments established by the Loan/Grant Agreement. Any accumulation of the Pledged Revenues in an amount in excess of the next Loan/Grant Agreement Payment shall be redirected by the Finance Authority to the benefit of the Borrower/Grantee on a timely basis as provided in Section 6.1 of the Loan/Grant Agreement.

To the extent that the Pledged Revenues are insufficient to meet the debt service requirements due on the Loan and other parity obligations now or hereafter issued or incurred, the amounts intercepted under this Intercept Agreement shall be applied to allow partial payment on a pro-rata basis of the debt service due and owing on the Loan/Grant Agreement and other parity obligations.

Section 2. Term; Amendments. This Intercept Agreement will remain in full force and effect from its effective date as herein provided until such time as the Loan made pursuant to

the Loan/Grant Agreement and this Intercept Agreement has been paid in full. Nothing herein shall be deemed in any way to limit or restrict the Borrower/Grantee from issuing its own obligations, providing its own program or participating in any other program for the financing of public projects which the Borrower/Grantee may choose to finance. This Intercept Agreement may be amended only by written instrument signed by the parties hereto.

Section 3. Authorization. The execution and performance of the terms of this Intercept Agreement have been authorized and approved by Resolution No. R-15-44 passed and adopted on December 10, 2015 by the Governing Body of the Borrower/Grantee, which Resolution is in full force and effect on the date hereof.

Section 4. Severability of Invalid Provisions. If any one or more of the provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such provision shall be null and void and shall be deemed separable from the remaining provisions and shall in no way affect the validity of any of the other provisions hereof.

Section 5. Counterparts. This Intercept Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 6. Further Authorization. The Borrower/Grantee agrees that the Finance Authority shall do all things necessary or convenient to the implementation of the Program to facilitate the Loan to the Borrower/Grantee.

Section 7. Effective Date. This Intercept Agreement shall take effect on the Closing Date of the Loan.

Section 8. Initial Intercept Date. As indicated on the Intercept Schedule, the first distribution of the Pledged Revenues that is subject to being intercepted by the Distributing State Agency under the terms of this Intercept Agreement consists of Pledged Revenues due to be distributed to the Borrower/Grantee as indicated in the Intercept Schedule.

Section 9. Final Intercept Date. Once the Loan has been fully paid off and satisfied, the Finance Authority shall provide written notice to the Distributing State Agency to discontinue the interception of the Borrower/Grantee's Pledged Revenues.

IN WITNESS WHEREOF, the parties to this Intercept Agreement have caused their names to be affixed hereto by the proper officers thereof as of the date first above written.

NEW MEXICO FINANCE AUTHORITY

FINAL OPINION OF COUNSEL

To: New Mexico Finance Authority
207 Shelby Street
Santa Fe, New Mexico 87501

Re: Grant County, New Mexico
\$101,770 Loan/Grant No. 3352-CIF

Ladies and Gentlemen:

I am an attorney representing Grant County (the "Borrower/Grantee") in connection with the above-referenced Loan/Grant. I am licensed to practice law and in good standing in the State of New Mexico. I provide this opinion in my role as counsel to the Borrower/Grantee, understanding that the New Mexico Finance Authority and the New Mexico Colonias Infrastructure Board (the "Lenders/Grantors") are relying on all representations herein made by me on behalf of my client and but for these representations, the Loan/Grant would not be approved.

Capitalized terms used in this opinion have the same meaning as defined in Resolution No. R-15-44 adopted by the Governing Body of the Borrower/Grantee on December 10, 2015 (the "Resolution") unless otherwise defined in this opinion or the context requires otherwise.

I hereby certify that I have examined:

- (1) The Grant County Colonias Infrastructure Project Fund Application dated January 12, 2015 (the "Application") and the New Mexico Colonias Infrastructure Board approval dated June 4, 2015 and the New Mexico Finance Authority approval dated June 25, 2015 for Loan/Grant No. 3352-CIF, relating to the Project.
- (2) The statutes creating the Borrower/Grantee.
- (3) The Annual Open Meetings Act Resolution or resolutions of the Borrower/Grantee in effect on December 10, 2015 and on January 15, 2016.
- (4) The proceedings of the Governing Body (including all agendas, minutes, resolutions, ordinances and publications) which authorize the Loan/Grant application, the Project development, the budget for the Project, and the contracts with the various Project professionals including but not limited to architects, engineers, planners and contractors.
- (5) Proceedings of the Borrower/Grantee from the date of the Application to the date of this opinion, including, without limiting the generality of the foregoing, the action of the Borrower/Grantee relating to (a) the selection of its Chairman of the

Governing Body, Board of County Commissioners, and County Clerk; (b) the adoption of the Borrower/Grantee's Annual Open Meetings Act Resolution or resolutions; (c) the adoption of ordinances or resolutions governing the operation of the Project; (d) cost estimates for the Project; (e) the adoption of ordinances, resolutions and regulations for the furnishing of service to customers; (f) the proposed operating budget for services to be provided, in whole or in part, by means of the Project; (g) the proposal to finance the Project, in whole or in part, with a Loan/Grant made by the CIB, acting through the Finance Authority; (h) the Resolution authorizing the Chairman of the Governing Body to execute necessary documents to obtain the Loan/Grant for the Project; (i) all necessary approvals for the Project from federal, State or local authorities; and (j) the execution and delivery of the Loan/Grant Agreement and the Intercept Agreement evidencing such Loan/Grant.

- (6) The Resolution and the Loan/Grant Agreement providing that the Lenders/Grantors on behalf of the Borrower/Grantee shall maintain a book Project Account on behalf of the Borrower/Grantee and shall cause the disbursement of the Loan/Grant Amount as provided in Article IV of the Loan/Grant Agreement.
- (7) The records and files of all offices in which there might be recorded, filed, or indexed, any liens of any nature whatsoever, affecting the title to any real property to be acquired with the Loan/Grant proceeds, or on which will be located any Project property to be acquired with the Loan/Grant proceeds.

To the best of my knowledge based upon my examination of the foregoing and information provided to me by the Borrower/ Grantee, it is my opinion that:

- A. The Borrower/Grantee is a duly organized and existing county under the laws of the State of New Mexico.
- B. There exists within the boundaries of the Borrower/Grantee, the Colonia of the community of Tyrone, a community that has been designated by the Borrower/Grantee as a Colonia within the meaning of the Colonias Infrastructure Act and the Borrower/Grantee will be receiving the Loan/Grant for the benefit of the Colonia and the constituent public served by the Borrower/Grantee.
- C. The ordinances, resolutions, rules and regulations governing the operation of the Project have been duly adopted and are now in full force and effect.
- D. The Authorized Officers of the Borrower/Grantee were duly and validly elected or appointed and are empowered to act for the Borrower/Grantee.
- E. The Borrower/Grantee has the power:
 - (1) to acquire and complete the Project;
 - (2) to execute and deliver Loan/Grant documents including those identified above;

- (3) to perform all acts required by such Loan/Grant documents to be done by it; and
 - (4) to own, operate and maintain the Project during its Useful Life.
- F. All proceedings of the Borrower/Grantee, its elected and appointed officers, and employees, required or necessary to be taken in connection with the authorization of the actions specified above have been duly taken and all such authorizations are presently in full force and effect.
- G. The Resolution has been duly signed and adopted in accordance with all applicable laws and has not been repealed, rescinded, revoked, modified, amended or supplemented in any manner except as set forth in the Resolution. The Resolution constitutes valid and sufficient legal authority for the Borrower/Grantee to carry out and enforce the provisions of the Loan/Grant Agreement and the Intercept Agreement.
- H. No event will result from the execution and delivery of the Loan/Grant Agreement that constitutes a default or an event of default under either the Loan/Grant Agreement, the Resolution or the Intercept Agreement, and no event of default and no default under the Loan/Grant Agreement or the Resolution has occurred and is continuing on the date of this opinion.
- I. The Borrower/Grantee has duly authorized and approved the consummation by it of all transactions, and has complied with all requirements and satisfied all Conditions, which are required by the Loan/Grant Agreement to have been authorized, approved, performed or consummated by the Borrower/Grantee at or prior to the date of this opinion. The Borrower/Grantee has full legal right, power and authority to carry out and consummate the transactions contemplated by the Resolution, the Loan/Grant Agreement and the Intercept Agreement.
- J. All approvals, consents and orders of any governmental authority having jurisdiction in the matter which would constitute a condition precedent to the enforceability of the Loan/Grant Agreement and the Intercept Agreement or any of the actions required to be taken by the Resolution or the Loan/Grant Agreement to the date of this opinion have been obtained and are in full force and effect.
- K. Neither the Borrower/Grantee's adoption of the Resolution nor any action contemplated by or pursuant to the Resolution, the Loan/Grant Agreement or the Intercept Agreement does or will conflict with, or constitutes a breach by the Borrower/Grantee of, or default by the Borrower/Grantee under any law, court decree or order, governmental regulation, rule or order, ordinance, resolution, agreement, indenture, mortgage or other instrument to which the Borrower/Grantee is subject or by which it is bound.
- L. There is no actual or threatened action, suit, proceeding, inquiry or investigation against the Borrower/Grantee, at law or in equity, by or before any court, public board or body, nor to my knowledge, is there any basis therefore, affecting the existence of the Borrower/Grantee or the titles of its officials to their respective offices, or in any way

materially adversely affecting or questioning (a) the territorial jurisdiction of the Borrower/Grantee, (b) the use of the proceeds of the Loan/Grant Agreement for the Project and to pay certain costs of the Finance Authority and the CIB associated with the administration of the Colonias Infrastructure Project Fund, (c) the validity or enforceability of the Loan/Grant Agreement or any proceedings of the Borrower/Grantee with respect to the Resolution, the Loan/Grant Agreement or the Intercept Agreement, (d) the execution and delivery of the Loan/Grant Agreement and the Intercept Agreement, (e) the authority of the Borrower/Grantee to repay the Loan Amount, or (f) the power of the Borrower/Grantee to carry out the transactions contemplated by the Resolution, the Loan/Grant Agreement and the Intercept Agreement.

- M. Based upon my inspection of the maps and supporting documentation associated with the project location, there are no apparent liens of any nature whatsoever affecting the title to any real property upon which the Project to be designed with the proceeds of the Loan/Grant will be located.
- N. No legal proceedings have been instituted or are pending, and to my knowledge none are threatened, whether or not the Borrower/Grantee is named as a party in such proceedings, which would affect the Borrower/Grantee's interest in the real property upon which the Project to be designed with the proceeds of the Loan/Grant will be located, and there are no judgments against the Borrower/Grantee or liens against any property of the Borrower/Grantee that would impair the Borrower/Grantee's ability to complete the Project.
- O. The Borrower/Grantee has acquired as legally bound to acquire pursuant to the Loan/Grant Agreement all of the necessary land rights, easements and rights-of-way for the Project and the Borrower/Grantee now has sufficient, adequate and continuous rights-of-way to permit the acquisition and completion of the Project.
- P. The Borrower/Grantee has complied with all of the requirements of the New Mexico Procurement Code, NMSA 1978, §§ 13-1-28 through 13-1-199, as amended, applicable to the Project on or prior to the date of this opinion letter.

Dated this 15th day of January, 2016.
