16. **County's Access to Property.** The County will have free access to the Premises at all reasonable times for the purpose of examining the Premises, to determine if HMS is performing this Lease, and to post such reasonable notices as the County may desire to protect the rights of the County. However, the County's access will be consistent with HMS's privacy obligations to its clients, in connection with applicable federal, state and county laws and HMS's operations and the County will provide reasonable prior notice of such access unless in the case of an emergency.

17. **Termination.** This Lease may be terminated without cause by either party upon ninety (90) days written notice to the other. By such termination, neither party may nullify obligations already incurred for performance or failure to perform prior to the date of termination.

22. **Partial Invalidity.** If any term of this Lease, or the application of the term to any person or circumstance is, to any extent, invalid or unenforceable, the remainder of this Lease, or the application of the term to persons or circumstances other than those as to which the term is held invalid or unenforceable, will not be affected by the application and each term of the Lease will be valid and be enforced to the fullest extent permitted by law.

THIS LEASE ("Lease") is entered into by and between the New Mexico Commissioner of Public Lands, the acting trustee for the Enabling Act Trust established in the Act of June 20, 1910, 36 Stat 557, ch. 310. ("Lessor") and **Town of Silver City**, whose address is **P. O. **1. CERTAIN DEFINITIONS.**

- B. Fee Schedule** means the schedule of business or commercial lease fees and costs validly promulgated by Lessor from time to time.
- C. Ground Disturbance Permit** means a letter from Lessor authorizing construction of Improvements after Lessee satisfies all applicable specified conditions of this Lease and obtains all required approvals from government agencies required before the start of construction.
- D. Hazardous Material** includes, but is not limited to, oil, petroleum products, explosives, PCBs, asbestos, formaldehyde, radioactive materials or waste, or other hazardous, toxic, or contaminated materials, substances, or wastes, including without limitation any substance, waste, or material which is defined or listed as a "hazardous substance," "hazardous water," "hazardous material", "toxic substances", or "regulated substance", or which is otherwise controlled or regulated because of its toxicity, infectiousness, radioactivity, explosiveness, ignitability, corrosiveness, or reactivity, under any federal, state, or local laws, ordinances, or regulations relating to landfills, industrial hygiene, environmental protection, or the manufacture, use, generation, presence, analysis, transportation, handling, storage, treatment, or disposal of any such material, substance, or waste.

A State certified real estate appraiser, working cooperatively and at Lessee's expense with a qualified valuation expert employed by one of the "Big Four" international public accounting firms, shall determine the market going concern value of such Approved Improvements as part of a proven property operation. ## **2. LEASE.**

**A.** For consideration, Lessor hereby leases to Lessee that tract of land located in **Grant County, New Mexico** and described in **Exhibit A** attached to and incorporated into this Lease, subject to all matters of record at the State Land Office or in the real property records of the County Clerk of Grant County. Lessee may at any time and from time to time relinquish all or any part or parts of the Lease Premises by furnishing Lessor with (i) a written notice of relinquishment, (ii) if less than all of the Lease Premises is being relinquished, a survey of the part or parts of the Lease Premises being relinquished, (iii) a Phase One and Phase Two Environmental Assessment pursuant to Section 17(B) and (iv) a relinquishment fee of \$50.

**B.** The real property records of Lessor accurately reflect the state of title to the Lease Premises.

C. This Lease includes, as additional terms, the provisions of all applicable State Land Office rules currently in effect and published in the New Mexico Administrative Code ("NMAC"), including, without limitation, Rule 19.2.9 NMAC.

3. **SUBLEASE.** Lessee may sublease the Lease Premises for purposes consistent with this Lease with Approval of Lessor, which Approval will not be unreasonably conditioned, delayed or withheld. Lessor will agree to reasonable amendments to this Lease that are not inconsistent with the best interests of the Trust to accommodate subleasing.

4. **TERM; SALE BY LESSOR; RENEWAL.**

A. The term of this lease shall begin on the **Effective Date** of this lease and end at midnight prior to the **twenty-fifth (25<sup>th</sup>) Lease Anniversary (the "Term")** unless terminated or canceled earlier as herein provided. Nothing in this Lease shall limit Lessor's right to sell or exchange the Lease Premises during the Term as provided in Section 8. Any such sale or exchange, absent Lessee's express written agreement to the contrary, shall be subject to this Lease.

B. Prior to the end of the Term, Lessee may apply for a renewal of this Lease on such forms as Lessor may require or provide. If Lessor determines in Lessor's sole discretion that renewal is in the best interests of the Trust and Lessee agrees upon the terms for renewal offered by Lessor, Lessor shall grant a new lease to Lessee upon such terms.

5. **HOLDING OVER.** If Lessee or a sublessee holds over for any purpose after the end of the Term and this Lease is not renewed, Lessee shall pay Lessor Rent for each day or any part of a day of such Holding Over in an amount equal to two hundred percent (200%) of the pro rata Annual Rent due under this Lease for one (1) day of the immediately preceding Lease Year. Nothing contained herein shall be construed as a grant to Lessee of the right without the prior written Approval of Lessor to hold over or otherwise enter the Lease Premises for any purpose after the expiration or cancellation of this Lease.

6. **ANNUAL RENT.** Lessee shall pay to Lessor the annual rental for the leased premises and for the rights and privileges granted hereunder due for the first year of the Term on the Effective Date and every year thereafter on the anniversary of the Effective Date. The Rent for the first year of the Term shall be **Fifteen Thousand Two-Hundred Sixty Dollars (\$15,260.00)**. Thereafter, the Rent shall increase by Three Percent (3%) per year of the Term, rounded to the next highest One Dollar (\$1.00). The Rent for each year of the Lease is set forth in **Exhibit B**. Time is of the essence in the performance of this agreement. Interest on delinquent rent payments shall accrue from the date the payment becomes due at the rate of one percent a month or any fraction of a month. Lessee shall also pay a late processing fee of **\$50.00** for any delinquent payment of rent, in accordance with the Lessor's schedule of fees.

7. **RECEIPT OF MONIES.**

A. No receipt of monies, including but not limited to Rent, by Lessor from Lessee, or any other person acting for or on Lessee's behalf, after expiration or cancellation of this Lease shall reinstate, continue or extend the Term, affect any notice previously given to Lessee, operate as a waiver of Lessor's right to enforce payment of any Rent or other monies due or thereafter falling due, or operate as waiver of the right of Lessor to recover possession of the Lease Premises by legal action. Lessor and Lessee agree that after (i) commencement of any such legal action or (ii) a final order or judgment for

possession by Lessor of the Lease Premises or establishing Lessor's rights and remedies, Lessor may demand, receive and collect any monies due without affecting such notice, legal action, order or judgment. All such monies collected shall be deemed to be payments on account of Lessee's obligations under this Lease.

**B.** Lessee understands that Lessor's receipt of any monies is governed by statute and the related regulations. Lessee agrees that Lessor's negotiation of Lessee's check or other means of payment, and crediting the proceeds of such instrument to a suspense account, does not constitute acceptance of Lessee's payment. A payment shall not be deemed made until it is accepted in accordance with the statutes and regulations which govern Lessor's operations.

**C.** Lessor shall have the right to apply any payments made by Lessee to satisfy Lessee's debt or obligation to Lessor at Lessor's sole discretion, and without regard to Lessee's instructions as to the application of any such payment or part thereof, whether such instructions are endorsed on Lessee's check or otherwise, unless Lessor and Lessee otherwise agree, in writing, before Lessor accepts such payment. Lessor's acceptance of a check or payment by Lessee or others on Lessee's behalf shall not in any way, affect Lessee's liability hereunder nor be deemed an approval of any assignment, permit or Sublease of this Lease.

**8. SALE.** At any time, Lessor may, in its sole discretion and in accordance with applicable statutes and regulations, offer to sell or exchange the Lease Premises, or any part or parts thereof, to the highest bidder, subject to all of the terms and conditions of this Lease, and any Approved Sublease or assignment, or permit approved by Lessor in accordance with this Lease. In the event Lessor decides to make such an offer, Lessor shall give Lessee at least sixty (60) days prior written notice of the proposed sale or exchange, which 60-day period shall not be in addition to any statutorily required notice period. Lessee may bid at such sale or exchange, provided Lessee (i) is not in default under this Lease and (ii) complies with the bid requirements established by Lessor pursuant to applicable statutes and regulations and this Lease. In the event that Lessee bids to acquire the Lease Premises or the part or parts thereof offered at such a sale or exchange, it shall be given credit in its bid and the purchase price for an amount equal to the Improvement Value Credit. If all or any part of the Lease Premises is sold or exchanged to any person or entity other than Lessee, such person or entity shall before Lessor issues any patent or deed to it, and unless Lessee executes and delivers to such person or entity a bill of sale for such Improvements, pay the Improvement Value Credit in cash to Lessor who shall, after deducting any Rent, costs and damages owed by Lessee to Lessor, promptly pay the balance thereof to Lessee. If Lessee acquires all or any part or parts of the Lease Premises at such a sale or exchange, it may elect to terminate this Lease by giving Lessor written notice of termination. Nothing in this Lease shall be interpreted to grant Lessee a right or an option, no matter how described or denominated, to acquire the Lease Premises or any part or parts thereof except pursuant to this Section 8, in the event Lessor decides to sell or exchange the same.

#### **9. RESERVATIONS; NEGATIVE EASEMENT.**

**A.** Lessor reserves the right to execute leases for mining purposes, including, but not limited to, the exploration, development, conservation, and production of geothermal resources, oil, natural gas, and any other minerals, natural resources, or deposits of whatsoever kind, located in, under, or upon the Lease Premises. A. Subject to the terms and conditions of this Lease, Lessee shall use the leased premises for the sole and exclusive purpose of: **Develop structure, access, parking and landscaping for operation and maintenance of a new chemical dependency continuum of care facility serving Grant County.** No other uses shall be permitted.

B. Lessor and Lessee acknowledge that, due to the long Term, additional or new Permitted Uses not currently anticipated may become necessary or desirable. Lessor and Lessee will negotiate diligently and in good faith to amend this Lease and any other documents and agreements as may be necessary or desirable to reasonably authorize and facilitate such additional or new Permitted Uses as Lessor finds to be in the best interests of the Trust.

C. Lessor and Lessee acknowledge that Lessor is not subject to any municipal or county ordinances and regulations that may on the Effective Date or thereafter regulate zoning and use of the Lease Premises. Nevertheless, Lessor and Lessee agree that such ordinances and regulations may provide appropriate guidelines for the use of the Lease Premises and, therefore, shall be complied with by Lessee, including permit requirements imposed under such ordinances and regulations, except where Lessor deems the same in conflict with the best interests of the Trust. Lessor and Lessee shall cooperate and use their best efforts to obtain any and all appropriate governmental approvals, including state, county and municipal approvals, as may be necessary or advisable, to facilitate Lessee's use of the Lease Premises. This Section 10.C shall not, however, grant to any third party or to any government or municipal agency, the right to enforce this Section 10.C.

#### 11. IMPROVEMENTS.

A. Subject to the restrictions set forth in Clause 10., "**PERMITTED USES**", above, Lessee shall make, or cause to be made, only the following improvements (the "Improvements"):

Those necessary for and incidental to a facility as shown on the "Proposed Site Plan" as Exhibit C, attached to and incorporated into this Lease by reference and including:

8,000 sq.ft. building  
Utilities  
Parking Lot and Landscaping

In connection with Permitted Uses, Lessee shall have the right from time to time and at any time to develop, construct or place Improvements on the Lease Premises. Improvements developed, constructed or placed on the Lease Premises in accordance with this Section 11 are called "Approved Improvements". Prior to the start of construction of any Improvements, Lessee shall furnish to Lessor a written master plan ("Master Plan") describing the Improvements. Lessee may at any time and from time to time amend the Master Plan by furnishing to Lessor a written amendment thereof. Lessor shall not unreasonably delay, condition or withhold approval of the Master Plan or any amendment thereof. Except as provided in Section 10.C, Improvements consistent with the Master Plan shall be constructed in accordance with applicable laws.

**B.** If Lessee constructs any improvements in violation of Section 11.A, Lessor may elect to (i) deem such improvements abandoned and forfeited to Lessor at the cancellation or expiration of this Lease, (ii) require Lessee to obtain Lessor's Approval of such improvements and pay all such reasonable fines and costs of Lessor as Lessor deems appropriate, or (iii), by written notice to Lessee, order the removal of such improvements and the restoration of the Lease Premises to its condition existing prior to the placement of such improvements, all at Lessee's sole expense and at such time as Lessor may reasonably direct. The foregoing rights of Lessor shall be cumulative to Lessor's other rights and remedies.

**C.** Lessee shall diligently, and at its own expense, maintain and protect from waste and trespass the Lease Premises and the Improvements.

**D.** The Approved Improvements and the Improvement Value Credit shall, unless Lessor and Lessee otherwise expressly agree in writing, be and remain Lessee's property. The interests of Lessee in, to and under this Lease shall be personal property interests. If under the terms of this Lease or any related agreement, Improvements are to remain on the Lease Premises after termination or relinquishment pursuant to Section 12, relinquishment pursuant to Section 13, or cancellation pursuant to Section 19, the subsequent lessee or purchaser of all or any part of the Lease Premises (but not under any circumstances Lessor) shall pay to Lessee an amount equal to the Improvement Value Credit. Upon such payment, such subsequent lessee or purchaser shall become the owner of such Improvements.

**E.** Improvements must be covered by liability insurance consistent with industry standards. Lessee shall at Lessor's request provide copies of the policy or policies of such insurance and all renewals thereof to Lessor. Lessor may, upon reasonable written notice to Lessee, require an increase in the amount of any such policy in keeping with Lessor's reasonable determination of increased liability.

**F.** Any documents, whether on paper or in magnetic, electronic or other format, relating to the development of Improvements, including but not limited to, all analyses, appraisals, approvals, contracts, drawings, lists, manuals, permits, plans, plats, reports, schematics, and studies, but excluding documents containing proprietary information, shall be provided to Lessor upon Lessor's written request.

## **12. IMPROVEMENT REMOVAL.**

**A.** Unless (i) otherwise specified in this Lease, or (ii) Lessee subsequently purchases all or any part or parts of the Lease Premises, upon relinquishment or cancellation of this Lease or with any new Lease granted pursuant to Section 4.B, Lessee shall (a) at its sole expense remove all Improvements as Lessee desires or as Lessor may direct in writing, and (b) leave the Lease Premises in a reasonably safe condition. All Improvements not removed shall become the property of Lessor.

87-01 NY 26 NOV 9102

- (1) If any Improvements that Lessee desires to remove or is required to remove have not been removed by the date this Lease is relinquished or cancelled, Rent will continue at the rate in effect on such date. Lessor may, in Lessor's sole discretion, waive this requirement if and after Lessee provides written notice of its desire for a new lease at least six (6) months prior to the end of the Term and Lessee is in compliance with the terms and conditions of this Lease.
- (2) If Lessor and Lessee have so agreed, either in this Lease or in another authorized writing, that specified Improvements shall remain in place, Lessee shall provide to Lessor, no later than the end of the Term, satisfactory evidence that such Improvements have been paid for, including but not limited to waivers of mechanic's and materialmen's liens thereon and releases of any security interests or other liens therein or thereon.

**B.** Notwithstanding the provisions of Section 12.A, no Improvement shall be removed from the Lease Premises without Lessor's prior Approval if Lessee owes Rent or any other sums to Lessor or if any material duties owed by Lessee under this Lease remain unperformed. Approval of the removal of improvements will not be unreasonably conditioned, delayed or withheld,

**C.** Lessor may require in writing that specified unauthorized improvements be left in place during the Term.

**D.** Any Improvements left on the Lease Premises without Lessor's prior Approval, which shall not be unreasonably conditioned, delayed or withheld, for a commercially unreasonable period of time following the end of the Term and any renewal thereof, shall remain the sole property and liability of Lessee and shall constitute a nuisance until they are removed or abandoned as set out in Section 12(D)(2) or (3). Lessor may elect to:

- (1) leave such Improvements in place and permit Lessee to retain the right to compensation for such Improvements from a subsequent lessee or purchaser pursuant to Section 11;
- (2) take such action as is necessary to abate such nuisance, with all costs and fees incurred in so doing to be additional Rent due from Lessee under the terms of this Lease or any renewed lease; or,
- (3) declare, by written notice to Lessee, such Improvements abandoned, at which time they shall become the property of Lessor.

**E.** All costs, fines, and fees incurred by Lessor as a result of (i) Improvements being left on the Lease Premises for a commercially unreasonable period of time following the end of the Term and any renewal thereof without Lessor's Approval and (ii) damage or waste to the Lease Premises during the Term arising from or in connection with Lessee's use and occupancy thereof, shall remain the sole liability of Lessee and shall be deemed additional Rent due at the time incurred. This Section 12.E shall survive the expiration or cancellation of this Lease.

### **13. RELINQUISHMENT.**

**A.** Lessee may at any time and from time to time, in its sole discretion, and for any reason, relinquish this Lease as to all or any part or parts of the Lease Premises by completing and delivering to Lessor the forms for relinquishment prescribed by Lessor and, except as provided in Section 13.D, paying Lessor the relinquishment fee set forth in the then-current Fee Schedule and, if the relinquishment is of less than all of the Lease Premises, a survey of the part or parts of the Lease Premises being relinquished.

**B.** Lessee shall not as a result of any relinquishment avoid or be released from any liability for known or unknown waste or damage to the Lease Premises, including environmental damage which arose from, or in connection with, Lessee's or a sublessee's use or occupancy thereof.

**C.** No relinquishment shall be valid or effective until approved by Lessor. Any attempted relinquishment or rejection of this Lease without Lessor's Approval, which will not be unreasonably conditioned, delayed or withheld, shall be deemed a material breach of the Lease.

**D.** Except as provided in this Section 13.D, upon any relinquishment, Lessee shall not be entitled to the refund of any Rent previously paid. However, if Lessee seeks relinquishment in response to a request by Lessor, no relinquishment fee shall be charged and Lessee shall be entitled to a pro-rata refund of Rent previously paid.

### **14. CHANGE IN LESSEE OR LESSEE'S OWNERSHIP; SUBLEASE.**

**A.** Lessor is entering this Lease based on Lessee's representation that Lessee shall not (i) assign or Sublease, in whole or in part, this Lease, the Lease Premises or any Improvements or (ii) change its identity, control or ownership, through sale, acquisition, merger or the like, without the prior written Approval of Lessor. Any such act without Lessor's prior Approval, which shall not be unreasonably delayed or withheld, or conditioned except as provided in Section 14.C, shall be null and void as to Lessor, and shall be deemed a breach of this Lease by Lessee. Lessor may seek any and all remedies available at law or in equity for third-party trespass or such other damages as may be caused by any such breach.

**B.** Lessor may condition Approval of any proposed assignment, permit or Sublease upon a commercially reasonable (i) increase in the Rent amount, (ii) modification of this Lease, (iii) addition of other provisions to this Lease, and (iv) proof of the assignee's, sublessee's or permittee's creditworthiness, financial soundness and skill and experience in effecting Permitted Uses, and such other conditions as Lessor may reasonably impose to protect Lessor's interest. Lessee's application or request for Approval of an assignment or Sublease shall be deemed a guarantee that no interest in this Lease is subject to pending or then reasonably foreseeable, litigation, and it shall not be necessary for Lessor to inquire into this.

**C.** Lessor's Approval of a Sublease, permit, or assignment shall not relieve or release Lessee from (i) any liability which may have arisen prior to the Sublease, permit, or assignment or (ii) from its continuing obligations under the Lease.

**D.** Lessor's Approval of a Sublease, permit or assignment will not constitute Approval of any subsequent Sublease, permit, or assignment, nor will Approval of a specific Sublease, permit, or assignment indicate that Lessor will grant such future Approvals when requested.

E. Except as provided in this Section 14, the occupation or use of Trust lands pursuant to any Sublease, permit, or assignment made without Lessor's Approval shall be a material breach of this Lease and a trespass by the purported assignee, permittee, or sublessee, and cannot vest the trespasser with any tenancy or other rights, interests, claims, or privileges in the Lease Premises or with respect to Lessor whatsoever. In addition to such other remedies as may be available to Lessor at law or in equity for such trespass, Lessee shall be liable for all costs, fees, and damages incurred by Lessor resulting from such trespass.

F. Applications by Lessee to Lessor for Approval of Subleases, permits, or assignments shall be made under oath, on forms prescribed by Lessor, and accompanied by such fees as are designated in the then-current Fee Schedule.

G. No assignment, permit, or Sublease shall have the effect of extending the Term hereof.

**15. INSPECTION BY LESSEE.** Lessee is entering into this Lease on the basis of its inspection of and judgment regarding the Lease Premises. Except as may otherwise be expressly provided in this Lease, Lessor is making no representations or warranties of any kind or nature whatsoever with regard to the Lease Premises or this Lease.

**16. COMPLIANCE WITH LAWS AND PROTECTION FROM WASTE AND TRESPASS.** Lessee shall fully comply with all laws, whether statutory or court-made, regulations, rules, ordinances, and requirements, including but not limited to those addressed to environmental protection and all current New Mexico State Land Office Rules and Regulations and such Rules and Regulations of general application that may be hereafter promulgated, applicable to the Lease Premises or to operations thereon under this Lease, including NMSA 1978, §19-6-5, requiring Lessee to protect the Lease Premises from waste and trespass by unauthorized persons, and the New Mexico Cultural Properties Act, NMSA 1978, § 18-6-1 et seq. ("the CPA"). It is illegal for any person to knowingly appropriate, excavate, injure, remove or destroy any structure, place, site or object having historic, archaeological, scientific, architectural or other cultural significance located on lands held and managed by the New Mexico State Land Office without a valid permit from the New Mexico Cultural Properties Review Committee and the express consent of Lessor. Governmental agencies promulgating laws, regulations, rules, ordinances, and requirements relating to cultural properties or historic or prehistoric preservation shall not be deemed third-party beneficiaries under this Lease. Lessee's compliance with the CPA shall be at its own expense and shall not be considered an offset to Rent due under this Lease.

**17. HAZARDOUS MATERIALS.**

A. Lessee shall be responsible for conditions on the Lease Premises caused by Hazardous Material placed thereon by Lessee, any Sublessee or others acting by, through or under Lessee, but Lessee shall not be responsible or liable with respect to Hazardous Material conditions not caused by Lessee, Sublessee or by others acting by, through or under Lessee.

B. Lessee shall not under any circumstances novate, terminate, cancel or relinquish this Lease, without first providing to Lessor a Phase One and a Phase Two Environmental Assessment materially complying with applicable standards. Lessor may require Lessee to perform reasonable clean-up or other remediation of the Lease Premises with respect to conditions caused by Lessee as a further condition precedent to any such novation, termination, cancellation, or relinquishment. However, if Lessee subsequently leases all or any part or parts of the Lease Premises, and agrees to accept continuing

liability for any Hazardous Material problems caused or created by Lessee during the Term, then no Phase One or Phase Two Environmental Assessment shall be required.

C. Lessor agrees that to the best of Lessor's knowledge (i) on the Effective Date, the Lease Premises is free of all Hazardous Material and (ii) Lessee shall have no liability with respect to Hazardous Materials kept, used, stored, generated or disposed of in, on, or under the Lease Premises prior to the Effective Date.

**18. HOLD HARMLESS; INSURANCE.**

A. Lessee shall hold harmless, indemnify and defend the State of New Mexico, Lessor and Lessor's employees, agents, and contractors, in both their official and individual capacities, from any and all liabilities, claims, losses, damages, or expenses, including but not limited to reasonable attorneys' fees, loss of land value, third party claims, penalties or removal, remedial or restoration costs arising out of, alleged to arise out of or indirectly connected with a) the operations hereunder of Lessee or Lessee's employees, agents, contractors, or invitees, b) the activities of third parties on the leased premises, whether with or without Lessee's knowledge or consent. In the event that any action, suit or proceeding is brought against Lessee, Lessee shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of Lessor and the Risk Management Division of the New Mexico General Services Department by certified mail. This Paragraph 18(A) shall survive the termination, cancellation or relinquishment of this Lease, and any cause of action of Lessor to enforce this provision shall not be deemed to accrue until Lessor's actual discovery of said liability, claim, loss, damage, or expense.

B. During the Term of this Lease, Lessee shall, at Lessee's cost and expense, obtain and maintain at all times with insurers authorized to do business in the State of New Mexico commercial general liability insurance (in the broadest form then available in New Mexico) that names the Lessor ("New Mexico State Land Office") as an insured party, protecting the Lessor against claims for bodily injury, personal injury, death and property damage. Such an insurance policy must specifically provide coverage for the Lessor and its employees and agents in minimum amounts of \$200,000 for damage to or destruction of each legally described real property arising out of a single occurrence with an aggregate of \$1,000,000; \$1,000,000 per occurrence/aggregate for bodily injury, personal injury or death; and \$1,000,000 with respect to any one occurrence. Higher coverage for the Lessor may be reasonably required by the Lessor from time to time, including but not limited to increases needed to provide complete coverage for Lessor's maximum liability under the New Mexico Tort Claims Act, Section 41-4-1 et seq. NMSA 1978. Insofar as the above-described insurance provides protection against liability for damages to third parties for personal injury, death, and property damage, lessor shall be included as an additional insured, provided such liability insurance coverage shall also extend to damage, destruction and injury to Lessor-owned or Lessor-leased property and Lessor personnel, and caused by or resulting from work, acts operations or omissions of Lessee. Lessor shall have no liability for premiums charged for such coverage, and inclusion of Lessor as an insured party is not intended to, and shall not make Lessor a partner or joint venturer with Lessee in its operations.

C. The policy of insurance required to be maintained by Lessee pursuant to Paragraph 18(B) shall be reasonably satisfactory to Lessor and shall (a) provide for the benefit of Lessor that thirty (30) days prior written notice of suspension, cancellation, termination, modification, non-renewal or lapse or material change of coverage shall be given to all insured parties and that such insurance shall not be invalidated by any act or neglect of Lessor, nor by any foreclosure or other proceedings or notices thereof relating to the Land, leasehold or improvements, nor by occupation of the Land for purposes more hazardous than are permitted by such policy; (b) not contain a provision relieving the insurer thereunder

of liability for any loss by reason of the existence of other policies of insurance covering the Land, leasehold or improvements against the peril involved, whether collectable or not; and (c) include a contractual liability endorsement evidencing coverage of Lessee's obligation to indemnify Lessor pursuant to Paragraph 18(A).

D. In addition, the Lessee must obtain at its own expense, insurance coverage adequate to protect its operations, property, employees and agents in amounts Lessee finds sufficient. Lessee shall be solely responsible for obtaining insurance policies that provide coverage for losses of Lessee-owned property, including improvements. Lessor shall not be required to provide such insurance coverage or be responsible for payment of Lessee's costs for such insurance.

E. Within ten (10) days after the execution of this Lease by Lessor and delivery to Lessee, Lessee shall deliver to Lessor original or duplicate certificates of insurance, insurance policies, and policy riders/endorsements evidencing all the insurance which is required to be maintained under this Lease by Lessee certifying that all requirements set forth herein have been complied with, and within ten (10) days prior to the expiration of any such insurance, other original or duplicate policies or certificates evidencing the renewal of such insurance. A certificate, policy, endorsement or rider which states that failure to give Lessor notice imposes no liability or obligation on the insurer shall not be in compliance with this Lease. For example, certificates or policies stating that the insurer shall "endeavor to notify" and that "failure to give such notice imposes no obligation" on the insurer are unacceptable to Lessor. Failure to comply with the insurance specifications in this Lease is a material breach of the Lease. Different types of required insurance may be written in one or more policies.

#### **19. BREACH AND CURE.**

A. In the event of Lessee's breach or threatened breach, Lessor shall give Lessee thirty (30) days' notice by registered mail. If any breach or threatened breach of Lessee is not properly cured on or before the thirtieth (30<sup>th</sup>) day, Lessor shall have the option of cancelling this Lease, or of pursuing any other remedies provided by this Lease or available at law or in equity. No proof of receipt of such notice shall be necessary in order for Lessor to act.

B. Lessor shall be entitled to recover reasonable compensation from Lessee for all damages and costs caused by a breach or threatened breach not cured within the time periods set forth in Section 19.A and all reasonable costs and expenses incurred by Lessor in pursuing its remedies for such uncured breach or threatened breach.

C. In the event of Lessee's eviction from the Lease Premises following a cancellation pursuant to Section 19.A or abandonment of the Lease Premises, Lessor shall have the right, but not the obligation, to re-lease or to sell all, or any part of, the Lease Premises. The exercise of such right shall be at Lessor's sole discretion and except as otherwise provided in this Lease, shall not extinguish Lessee's obligations hereunder. If Lessor re-leases all or any part of the Lease Premises, Lessor may agree upon a term that is greater or less than the remaining unexpired Term at the time this Lease is cancelled and to such covenants, conditions, and agreements as Lessor may deem proper.

**20. EXHAUSTION OF ADMINISTRATIVE REMEDIES.** In the event that Lessee disputes a decision of Lessor determining that Lessee is in default or cancelling this Lease, Lessee shall within thirty (30) days after the date of such decision file an administrative contest pursuant to NMSA 1978, § 19-7-64 and State Land Office Rule 15 (19.2.15 NMAC). Lessee shall initiate no court action regarding this Lease except to appeal a final decision of the Commissioner of Public Lands rendered pursuant to such a contest

proceeding, and as provided by NMSA 1978, § 19-7-64.

**21. NO WAIVER BY LESSOR.** No employee or agent of Lessor has the power, right, or authority to orally waive any of the conditions, covenants or agreements of this Lease and no waiver by Lessor of any of such conditions, covenants or agreements shall be effective unless in writing and executed by Lessor. Lessor's waiver of any breach by Lessee or default under any such conditions, covenants or agreements shall not constitute or be construed as a waiver of any other or subsequent breach or default by Lessee. The failure of Lessor to enforce at any time any such condition, covenant or agreement, to exercise any option herein to Lessor provided, or to require at any time performance by Lessee of any such conditions, covenants or agreements, shall not constitute or be construed to be a waiver of any such conditions, covenants, or agreements, nor shall it affect the validity of this Lease or any part thereof, or Lessor's right to thereafter enforce each and every such condition, covenant, or agreement.

**22. SCOPE OF AGREEMENT.** This Lease incorporates all the agreements, covenants and understandings between Lessor and Lessee concerning the subject matter hereof and all such agreements, covenants and understandings are merged into this written Lease. No prior agreement or understanding between Lessor and Lessee shall be valid or enforceable unless expressly embodied in this Lease.

**23. AMENDMENT.** This Lease shall not be altered, changed, or amended except by an instrument duly executed by Lessor and Lessee.

**24. APPLICABLE LAW AND VENUE.** This Lease shall be governed by the laws of the State of New Mexico, without giving effect to conflict of law principles. Lessee consents to venue and jurisdiction in the District Court in and for the County of Santa Fe, New Mexico, and to service of process under the laws of New Mexico in any action relating to this Lease or its subject matter.

**25. SUCCESSORS IN INTEREST.** All terms, conditions, and covenants of this Lease and any subsequent amendments hereto shall extend to and bind the respective successors and assigns of Lessor and Lessee.

**26. TIME.** Time is of the essence in the performance of this Lease.

**27. MISCELLANEOUS.**

**A. SINGULAR AND PLURAL; USE OF GENDERS.** Whenever in this Lease (i) the singular is used, the same shall include the plural and (ii) a particular gender is used, the same shall include the other gender and no gender.

**B. HEADINGS AND TITLES.** The use of section or paragraph headings and titles herein is for descriptive purposes only and is independent of the covenants, conditions, and agreements contained herein.

**C. SEVERABILITY.** Nothing in this Lease is intended to supplant or be inconsistent with applicable statutes and regulations. In the event that any provision of this Lease is held invalid or unenforceable under applicable statutes or regulations, this Lease shall be deemed not to include that provision and all other provisions shall remain in full force and effect.

8th 01 11 2020 910Z

**D. MEMORANDUM OF LEASE.** Lessor and Lessee shall execute and deliver for recording a memorandum of the material terms of this Lease.

## **EXHIBIT F**

The annual rent set forth in Paragraph 3 of this Lease shall be paid as follows:

1. The annual rent in any year shall be paid with cash or the equivalent thereof in the form of uncompensated addiction recovery services that HMS provides to sick and/or indigent residents of Grant County which includes those that are not otherwise paid for with County money as set forth in Paragraph 2 below.
2. On or before each June 30 (beginning on June 30, 2017), HMS shall provide the County with a report that contains each of the following:
  - a. A written description and valuation of the uncompensated services provided to Grant County residents; and
  - b. Any and all documentation required by the County in order that the County may verify such services.
3. The County will review the report and, if approved by the County, the County will accept the services provided by HMS as rental payment so long as:
  - a. The value of the services performed is equal to or greater than the rental rate due;
  - b. HMS has not already been paid for the services by the County; and
  - c. The services are provided to sick and/or indigent residents of the County. For purposes of this agreement, "sick" includes behavioral, physical or mental conditions which adversely affect the functioning of an individual, and "indigent" means a person who qualifies as an "indigent patient" as described in the Indigent Hospital and County Health Care Act ("the Act"), and who is qualified by application of residency and income criteria to receive assistance pursuant to the Act according to policies of the Grant County Indigent and Health Plan Claims Board.
4. In the event the services provided in any one year are greater than the annual rent due for the preceding year, the excess shall be carried forward and applied against the next year's annual rent. In the event the services are less than the annual rent due for the preceding year, then HMS shall promptly pay the balance owing to the County in ready and available funds within thirty (30) days.
5. HMS may, at its option, pay all or part of the annual rent in cash in lieu of providing services.
6. The annual report provided by HMS shall be submitted to:

Charlene Webb,  
Grant County Manager  
PO Box 898  
Silver City, NM 88062

7. Should the County reject any or all of the report of services provided, HMS shall, within thirty (30) days of notice from the County, pay the rent due for the preceding year, in ready and available funds.
8. Nothing in this Exhibit F shall require HMS to disclose information that would violate the privacy rights of clients pursuant to HIPAA or other applicable state or federal law.
