WHEREAS, the CDBG program is subject to all applicable Federal and State laws and regulations, including Title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 *et seq.*), and regulations of the U.S. Department of Housing and Urban Development ("HUD") found at 24 CFR Part 570 (as now in effect and as may be amended from time to time); and

**AGREEMENT**

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

**ARTICLE I - SCOPE OF WORK.**

- B. The Grantee shall provide all the necessary qualified personnel, materials, and facilities to implement the program described herein.
- C. The Grantee will adhere to all processes set forth in the CDBG Implementation Manual, which is available at the Division's website at:  
[http://www.nmdfa.state.nm.us/CDBG\\_Implementation\\_Manual.aspx](http://www.nmdfa.state.nm.us/CDBG_Implementation_Manual.aspx) ("CDBG Manual").

## **ARTICLE II - LENGTH OF GRANT AGREEMENT.**

- A. The term of this Agreement shall be effective upon execution by the Division. It shall terminate on the date which is two years after the effective date of this Agreement, which is the Division Director's dated signature, unless earlier terminated pursuant to Article V.
- B. In the event that, due to unusual circumstances, it becomes apparent that this Agreement cannot be brought to full completion within the time period set forth in paragraph A of this Article II, the Grantee may request an extension. Agreement extensions will be approved on a case by case basis and must be requested prior to the termination date set forth in paragraph A of this Article II. The Division may review the work accomplished to date and determine, in its sole discretion, whether there is sufficient need or justification to amend this Agreement to provide additional time for project completion.

## **ARTICLE III - REPORTS AND PROJECT CLOSEOUT.**

### **A. Progress Reports:**

- 1. To enable the Division to adequately evaluate the progress of the Agreement, the Grantee shall submit progress reports to the Division on a quarterly basis, with the due dates to be established by the Division. The progress reports shall be submitted on the form attached as exhibit "1-D" and shall contain a description of the work accomplished to date, the methods and procedures used, a detailed budget breakdown of expenditures to date, a statement of the impact of the project, and such other information as the Division may require.
- 2. One copy of each progress report shall be submitted to the Division. Progress reports shall be due no later than 20 days after the end of each quarter during the term of this Agreement.
- 3. The Division may require revisions or additional information to clarify progress reports.

- B. **Final Report:** The Grantee shall submit to the Division one copy of its Final Report, attached as exhibit "1-D-1", with its final Request for Payment, attached as exhibit "1-M", no later than 20 days after the termination of this Agreement. The Final Report shall include all of the information required for the progress reports as set forth in paragraph A of this Article III.

- C. **Requests for Additional Information:** At any time during the term of this Agreement and during the period of time during which Grantee must maintain records pursuant to Article VII, the Division, HUD or the New Mexico State Auditor may (i) request such additional documentation and information regarding Grantee's activities under this Agreement as they deem necessary to discharge their monitoring and compliance responsibilities, and (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of work performed as well as Grantee's financial and other records concerning the CDBG program. Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Division (or other entity making the request) in the request. Requests made pursuant to this paragraph D are in addition to and not in lieu of the progress and final reporting described in paragraphs A through C of this Article III.

- D. **Project Closeout:** Project closeout will occur upon “substantial completion” of the Project. “Substantial Completion” is defined as all five of the following being accomplished, as determined by the Division in its sole discretion: 1) full and satisfactory completion of all work and services; 2) submission to the Division of the Grantee’s architect/engineer’s letter of final acceptance or certificate of substantial completion relating to the project (“Certificate of Completion”) with all deficiencies corrected; 3) official acceptance by the Grantee of all contracted work or services; 4) receipt and approval by the Division of the final reporting referred to in paragraphs B and C of this Article III; and 5) clearance by the Division of all monitoring findings and completion of all the specific project closeout requirements and documents as set forth in chapter 5 of the CDBG Manual entitled “Monitoring and Close Out.”

#### **ARTICLE IV - GRANT AMOUNT AND METHOD OF PAYMENT.**

- A. **Amount of Grant:** In consideration of the Grantee’s satisfactory completion of all work and services required to be performed under the terms of this Agreement, and in compliance with all other Agreement requirements herein stated, the Division shall pay to the Grantee a sum not to exceed **Five Hundred Thousand Dollars and zero cents (\$500,000.00)**. The funds are to be expended in accordance with the budget attached as Exhibit “1-C”, which is incorporated by this reference as if set forth fully herein, and in accordance with the purposes designated in Exhibit “1-A”. Grantee’s expenditure of these monies shall not deviate from the line items of said budget without the parties executing an amendment in accordance with Article V.
- B. **Amount of Administrative Costs:** No more than three percent of the Grant funds actually disbursed pursuant to this Agreement for allowable expenditures may be used by the Grantee for its actual and reasonable administrative costs. The maximum amount of administrative costs under this Agreement shall not exceed **Fifteen Thousand Dollars and zero cents (\$15,000.00)**.
- C. The funds described in paragraph A above shall constitute full and complete payment of monies to be received by the Grantee from the Division.
- D. All payments to Grantee will be made by the Division upon receipt of an official Request for Payment form, which must be accompanied by a transmittal letter and proper supporting documentation for all expenditures included in the Request for Payment. Requests for Payment may be disputed and withheld if, in the sole opinion of the Division, the Grantee has failed to fulfill its responsibilities under this Agreement. In cases of disputed Requests for Payment, the Grantee agrees that it alone is responsible to timely pay its contractors in compliance with the provisions of the Prompt Payment Act, NMSA 1978, Sections 57-28-1 *et seq.* (“Prompt Payment Act”) and the agreements between the Grantee and such contractors.
- E. The Grantee will provide payment to contractors based upon eligible activities as described in exhibit “1-C”. The Grantee understands and agrees that it alone is obligated to pay its contractor(s) in a timely manner consistent with the requirements of the Prompt Payment Act. The Grantee further understands and agrees that its obligation is independent of the Division’s disbursement of Grant funds and that the Division is in no way responsible to make timely payments to contractors. The Grantee further understands and agrees that it will be responsible for any penalties or fines imposed upon the Division or attorney’s fees incurred by the Division due to the Grantee’s failure to comply with any provisions of the Prompt Payment Act.

- F. The Grantee further agrees, in compliance with NMSA 1978, Section 57-28-5(B) of the Prompt Payment Act, that the agreement between the Grantee and any contractor shall: 1) specifically provide in a clear and conspicuous manner for a payment within 45 days after submission of an undisputed request for payment; and 2) require the following legend to appear in clear and conspicuous type on each page of the plans including the bid plans and construction plans: "Notice of Extended Payment Provision: This contract allows the owner (Grantee) to make payment within 45 days after submission of an undisputed request for payment".
- G. The Grantee further agrees, in compliance with NMSA 1978, Section 57-28-5(C) of the Prompt Payment Act, that all construction contracts shall provide that contractors and subcontractors make prompt payment to their subcontractors and suppliers for amounts owed for work performed on the construction project within seven days after receipt of payment from the owner, contractor or subcontractor. If the contractor or subcontractor fails to pay its subcontractor and suppliers by first-class mail or hand delivery within seven days of receipt of payment, the contractor or subcontractor shall pay interest to its subcontractors and suppliers beginning on the eighth (8<sup>th</sup>) day after payment was due, computed at one and one-half percent of the undisputed amount per month or fraction of a month until payment is issued. These payment provisions apply to all tiers of contractors, subcontractors and suppliers.
- H. Pursuant to NMSA 1978, Section 57-28-8 of the Prompt Payment Act, ten days after the Certification of Completion is issued, (as defined in paragraph D of Article III), any amounts remaining due the contractor or subcontractor under the terms of the contract shall be paid upon the presentation of the following:
1. A properly executed release and duly certified voucher for payment;
  2. A release, if required, of all claims and claims of lien against the owner arising under and by virtue of the contract other than such claims of the contractor, if any, as may be specifically excepted by the contractor or subcontractor from the operation of the release in stated amounts to be set forth in the release; and
  3. Proof of completion.
- I. All CDBG expenditures shall be included in the Grantee's single audit for each fiscal year in which \$750,000 or more in federal funds are expended. Grantees are required to have an audit performed in accordance with Code of Federal Regulations Title 2, Subtitle A, Chapter II, Part 200, Subpart F (Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards—Audit Requirements), which begins at 2 CFR, Section 200.500. Grantees must submit the audit to the Division within 30 days of the date the audit is approved by the New Mexico State Auditor. The threshold of \$750,000 is effective in fiscal years beginning on or after December 26, 2014. CDBG must be listed in the Schedule of Expenditures of Federal Awards (SEFA) as a funding source. The Division retains the right to recover funds from the Grantee for any disallowed costs based on the results of any interim or the final audit.
- J. Requests for Paid Expenditures: If the Grantee is requesting reimbursement of expenditures it has already paid, and before the Division reimburses the Grantee for the expenditures, the Grantee's authorized signatory shall certify by signing and dating the Request for Payment form, which states that the expenditures are valid, and have been paid by the Grantee. In addition, actual receipts for

the expenditures shall be appended to the Request for Payment form, which support the expenditures for which reimbursement is requested. Only expenditures for which there are actual receipts will be reimbursed by the Division.

- K. Requests for Unpaid Expenditures: If the Grantee is requesting reimbursement of expenditures it has incurred but not yet paid, it shall pay such expenditures within three business days of receipt of funds from the Division. The Grantee's authorized signatory shall certify by signing and dating the Request for Payment form, which states that the expenditures are valid. The Grantee shall submit with the request for payment form, the appropriate bank statements, deposit slips and cancelled checks documenting the receipt and disbursement of funds.
- L. Deficient Requests for Payment: The Division may disallow a Request for Payment, in whole or in part, in the event the Request for Payment is deficient. Examples of deficient Requests for Payment include the lack of required signatures, lack of required supporting documentation, computational errors, seeking reimbursement for unallowable costs, or questions concerning whether the reported expenditures are permissible under this Agreement and applicable law and regulations. If a Request for Payment is disallowed, in whole or in part, the Division shall return to the Grantee the disallowed Request for Payment and accompanying documentation, and will notify the Grantee in writing of the nature of the deficiency and what the Grantee must do to correct it.
- M. Withholding Payment for Proper Expenditures: The Division shall withhold ten percent of the total amount of the Grant funds until project closeout. The Division may also withhold payment in the event the Grantee has failed to comply with the terms and conditions of this Agreement or applicable law and regulations. In such event, the Division shall give Grantee notice in writing of such failure and the actions Grantee must take to come into compliance. Payment shall be released upon Grantee's subsequent compliance.
- N. All Requests for Payment shall be received by the Division within 20 days after the Agreement's termination date. Any reimbursements made to Grantee for items or services that are unallowable under the terms of this Agreement or applicable law and regulations shall be immediately returned to the Division. If any unexpended funds remain after the conditions of this Agreement have been satisfied or after the termination date, the unexpended funds shall revert to the Division for disposition by the Council.

#### ARTICLE V - SUSPENSION, TERMINATION AND MODIFICATION.

- A. In accordance with 24 CFR 85.43, the Division, by written notice to the Grantee, shall have the right to suspend or terminate this Agreement if, at any time, in the judgment of the Division, the Grantee materially fails to comply with any term of this Agreement. The Division may demand repayment of all or part of the funds disbursed to the Grantee upon termination due to non-compliance.
- B. The Agreement may be terminated for convenience in accordance with 24 CFR 85.44.
- C. The terms and conditions of this Agreement can only be modified or changed by written amendment, executed by both the Division and Grantee. Any attempted oral modification of the terms and conditions of this Agreement shall be null and void and of no force or effect.

**ARTICLE VI - COPYRIGHT AND PATENTS.**

No report, map, or other document provided, in whole or in part, under this Agreement, shall be the subject of an application for copyright or patented by or on behalf of the Grantee.

**ARTICLE VII - RETENTION OF RECORDS.**

The Grantee shall keep such records as will fully disclose the amount and disposition of the total funds from all sources budgeted for the Agreement period, the purpose of undertaking for which such funds were used, the amount and nature of all contributions from other sources, all records required to be maintained under Federal law and regulations, and such other records as the Division may prescribe. The Grantee shall be strictly accountable for all receipts and disbursements under this Agreement and maintain fiscal records related to the Agreement in accordance with generally accepted accounting principles. The Grantee shall make all relevant financial and other program records available to the Division, HUD, and the New Mexico State Auditor upon request and shall maintain all such records for a period of not less than six years following project closeout.

By signing this Agreement, the Grantee certifies the following requirements:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or any employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. An assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources; and
3. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment

attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.
