(vii) The Bonds shall initially be registered in the name of the initial purchaser thereof, the Finance Authority, as set forth in the Pricing Certificate.

(b) The Bonds should be sold by a negotiated sale or placement to the Finance Authority. The Pricing Officer, acting for and on behalf of the County, is authorized to enter into and carry out a bond purchase contract or other agreement for the Bonds to be sold by negotiated sale or placement, with the Finance Authority at such price, with and subject to such terms as determined by the Pricing Officer pursuant to this Section 2. The Pricing Officer will set the date to determine the terms and provisions of the Bonds as provided in Section 2(a) ("Pricing Date") upon no less than five (5) business days' prior written notice of such Pricing Date to the Finance Authority.

(c) Interest shall accrue and be paid on each Bond until its maturity from the later of delivery, or the most recent interest payment date to which interest has been paid or provided for, at the rate or rates per annum hereinafter set forth. Such interest shall be payable on such dates as provided in the Pricing Certificate until maturity or prior redemption, and shall be computed on the basis of a 360-day year of twelve 30-day months.

(d) The principal of each Bond shall be payable upon maturity of such Bond and upon presentation and surrender thereof at the principal office of the Paying Agent/Registrar as hereinafter defined in Section 7, herein, and interest on each Bond shall be payable by check or draft mailed to the registered owner thereof, at the address shown on the registration books of the County ("Register") kept by the Paying Agent/Registrar, or by such other customary banking arrangements acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expense of such other customary banking arrangements. For the purpose of payment of interest on a Bond, the registered owner shall be the person in whose name the Bond is registered at the close of business

on the appropriate record date set forth in the Pricing Certificate (“Record Date”). In the event of nonpayment of interest on a scheduled payment date and for a period of thirty (30) days thereafter, a special record date and a special payment date for such interest payment will be established by the Paying Agent/Registrar (“Special Record Date” and “Special Payment Date,” respectively), if and when funds for the payment of such interest have been received from the County. Notice of the Special Record Date and the Special Payment Date, which shall be fifteen (15) days after the Special Record Date, shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each owner appearing on the Register at the close of business on the last business day next preceding the date of mailing of such notice. Both principal and interest shall be payable in lawful money of the United States of America.

(e) If upon presentation at maturity payment of any Bond is not made, interest thereon shall continue at the rate borne by said Bond until the principal thereof is paid in full.

SECTION 3. *Redemption.* The Bonds shall be subject to redemption as provided in the Pricing Certificate. With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by this Ordinance have been met and moneys sufficient to pay the principal of and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the County, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the County shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

SECTION 4. *Defeasance of Bonds.*

(a) Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (“Defeased Bond”) within the meaning of this Ordinance, except to the extent provided in subsection (d) of this Section 4, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (ii) shall have been provided for, on or before such due date, by irrevocably depositing with or making available to the Paying Agent/Registrar for such payment (1) lawful money of the United States of America sufficient to make such payment, or (2) Government Obligations that mature as to the principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the County with the Paying Agent/Registrar for the payment of its services, until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond, as described herein above, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of the ad valorem taxes herein levied and pledged as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Government Obligations.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the County also be invested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from such Government Obligations received by the Paying Agent/Registrar, which is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the County or deposited as directed in writing by the County.

(c) The term “Government Obligations” as used in this Section, shall mean direct obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of

America, which may be United States Treasury obligations, such as its State and Local Government Series, which may be in book-entry form.

Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the County shall make proper arrangements to provide and pay for such services as required by this Ordinance.

SECTION 5. *Execution and Registration of the Bonds.*

(a) Each Bond shall be signed with the manual or engraved, imprinted, stamped, or otherwise reproduced facsimile of the signature of the Chair and shall be signed and attested by the manual or engraved, imprinted, stamped, or otherwise reproduced facsimile signature of the County Clerk under the manual impression or facsimile of the seal of the County, which facsimile seal shall be printed, engraved, stamped, or otherwise placed thereon. The Bonds bearing the manual or facsimile signatures of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the County; notwithstanding that before the delivery thereof and payment therefor, any or all of the persons whose manual or facsimile signatures appear thereon shall have ceased to fill their respective offices. The Chair or the County Clerk, at the time of the execution of the Bonds and by execution of a signature certificate, may adopt, as and for his or her own manual or facsimile signature, the facsimile signature of his or her respective predecessor in office, in the event that such facsimile signature appears upon any of the Bonds. The Chair and County Clerk shall each forthwith file his or her manual signature, certified by him or her, under oath, with the Secretary of State of New Mexico; provided that, such filing shall not be necessary for any officer where any previous filing shall have application to the Bonds.

(b) No Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond a certificate of registration substantially in the form provided herein, executed by the Paying Agent/Registrar by manual signature, and such certificate, upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been registered and delivered.

SECTION 6. *Form of Bonds.* The form of the Bonds and the registration certificate and assignment certificate to be placed on the Bonds shall be substantially as follows, with blanks and all other provisions set forth in, or consistent with, the Pricing Certificate:

SECTION 7. *Paying Agent/Registrar.*

(a) The County shall, at all times, maintain a Paying Agent/Registrar for the performance of the duties and functions of Paying Agent/Registrar prescribed in this Ordinance. BOKF, N.A., is hereby appointed the initial Paying Agent/Registrar for such purposes. In the event any Paying Agent/Registrar for the Bonds is changed by the County, resigns, or otherwise ceases to act as such, the County covenants that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds. The County reserves the right to appoint a successor Paying Agent/Registrar by (1) filing with the person then performing such function a certified copy of a resolution giving notice of the termination of the Paying Agent/Registrar relationship and appointing a successor, and (2) causing notice to be given to each registered owner.

(b) Every Paying Agent/Registrar appointed hereunder shall at all times be a national or state banking institution or a corporation organized and doing business under the laws of the United States of America or of any State, authorized under such laws to execute trust powers, and subject to supervision or examination by a Federal or State authority.

(c) The Chair or the County Manager of the County is hereby authorized and directed to execute an agreement with the initial Paying Agent/Registrar specifying the duties and responsibilities of the County and the Paying Agent/Registrar. If any conflict exists between the agreement and this Ordinance, this Ordinance shall govern.

SECTION 8. *Application of Bond Proceeds.* When the Bonds have been duly executed, they shall be delivered to the Purchaser, upon receipt of the agreed purchase price, which is set forth in the preamble to this Ordinance. The net proceeds realized from the sale of the Bonds shall be applied solely for the purposes set forth in Section 2(a)(i). The Purchaser of the Bonds, in its capacity as purchaser of the Bonds, shall in no manner be responsible for the application or disposal by the County, or any of its officers, of any of the funds derived from the sale of the Bonds.

SECTION 9. *Levy of Taxes; Payment of Bonds.*

(a) The interest first falling due on the Bonds in the current fiscal year of the County may be paid from the general fund or from any funds available for that purpose, and there shall be levied, in addition to all other taxes, direct annual taxes on all taxable property in the County, at the time and in the manner provided by law, sufficient to reimburse such fund or funds, and to pay the principal of, and the interest accruing on, the Bonds, promptly, as the same shall become due.

(b) This Ordinance is hereby declared to be the certificate to New Mexico Taxation and Revenue Department, as to the amount of taxes necessary to be levied for the purposes herein stated, and such taxes shall be certified, levied, and extended upon the tax rolls and collected in the same manner, at the same time, and subject to the same penalties as general, state, and county taxes are certified, levied, and collected.

(c) Such taxes, when collected, shall be kept by the County in a separate fund or account of the County ("Interest and Sinking Fund") to be used solely for the purpose of paying the principal of, and interest accruing on, the Bonds, as the same respectively mature; provided, however, that nothing herein contained shall be so construed as to prevent the application of any other funds belonging to the County, and available for that purpose, to the payment of the Bonds or the interest thereon, and if the taxes herein provided for shall not be levied or collected in time sufficient to pay the interest on, or principal of, any of the Bonds as the same mature, such interest or principal shall be paid from any funds belonging to the County, which funds shall be reimbursed from the taxes herein provided for, when the same are collected.

SECTION 10. *Ownership.* The County, the Paying Agent/Registrar, and any agent of either of them may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, neither the County, the Paying Agent/Registrar, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 11. *Replacement Bonds.*

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The County or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed, or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of New Mexico, and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction, or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the County harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar, and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the County and the Paying Agent/Registrar.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the County and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered, or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the County or the Paying Agent/Registrar in connection therewith.

(d) In case any such mutilated, destroyed, lost, or stolen Bond has become or is about to become due and payable, the County may, in its discretion, instead of issuing a new Bond, pay such Bond as it becomes due and payable.

(e) Every new Bond issued pursuant to this section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of the County, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other outstanding Bonds.

(f) The provisions of this section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Bonds.

SECTION 12. *Cancellation.* All Bonds surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it, and if surrendered to the County, shall be delivered to the Paying Agent/Registrar, and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The County may, at any time, deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered, which the County may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Bonds held by the Paying Agent/Registrar shall be disposed of as directed by the County.

SECTION 13. *Registration, Transfer and Exchange of Bonds.*

(a) So long as any Bonds remain outstanding, the County shall cause to be kept at the principal office of the Paying Agent/Registrar the Register in which, subject to such reasonable regulations as it may prescribe, registration of the Bonds and of transfers of the Bonds shall be made as provided herein.

(b) Upon surrender for transfer of any Bond at the principal office of the Paying Agent/Registrar, the County shall execute and the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds of the same stated maturity, of any authorized denominations, and of a like aggregate principal amount.

(c) At the option of the registered owner, Bonds may be exchanged for other Bonds of the same stated maturity, of any authorized denominations, bearing the same rate of interest, and of like aggregate principal amount, upon surrender of the Bonds to be exchanged at the principal office of the Paying Agent/Registrar. Whenever any Bonds are so surrendered for exchange, the County shall execute and the Paying Agent/Registrar shall register and deliver the Bonds, which the Registered Owner of Bonds making the exchange is entitled to receive.

(d) All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the County, evidencing the same debt and entitled to the same benefits, under this Ordinance, as the Bonds surrendered upon such transfer or exchange.

(e) Every Bond presented or surrendered for transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar, duly executed by the Registered Owner thereof or his attorney duly authorized in writing.

(f) No service charge shall be made to the registered owner for any registration, transfer, or exchange of Bonds, but the County or the Paying Agent/Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

(g) Neither the County nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond during a period beginning at the opening of business thirty (30) days before the date of maturity of the Bond and ending at the close of business on the date of maturity of the Bond.

SECTION 14. *Covenants Regarding Tax Exemption of Interest on the Bonds.* The County covenants to take any action necessary to assure, or refrain from any action that would adversely affect the treatment of any series of tax-exempt Bonds as obligations described in Section 103 of the Internal Revenue Code of 1986, as amended (“Code”), the interest on which is not includable in the “gross income” of the holder for purposes of federal income taxation. In furtherance thereof, the County covenants as follows:

(a) to take any action to assure that no more than ten percent (10%) of the proceeds of such series of Bonds or the projects financed therewith, less amounts deposited into a reserve fund, if any, are used for any “private business use,” as defined in Section 141(b)(6) of the Code, or if more than ten percent (10%) of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the County with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly secure or provide for the payment of more than ten percent (10%) of the debt service on such series of Bonds, in contravention of Section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the “private business use” described in subsection (a) hereof exceeds five percent (5%) of the proceeds of such series of Bonds or the projects financed therewith, less amounts deposited into a reserve fund, if any, then the amount in excess of five percent (5%) is used for a “private business use” which is “related” and not “disproportionate,” within the meaning of Section 141(b)(3) of the Code, to the governmental use

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or five percent (5%) of the proceeds of such series of Bonds, less amounts deposited into a reserve fund, if any, is, directly or indirectly used to finance loans to persons other than state or local governmental units, in contravention of Section 141(c) of the Code:

(d) to refrain from taking any action that would otherwise result in such series of Bonds being treated as “private activity bonds” within the meaning of Section 141(b) of the Code;

(e) to refrain from taking any action that would result in such series of Bonds being “federally guaranteed” within the meaning of Section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of such series of Bonds, directly or indirectly, to acquire or to replace funds that were used, directly or indirectly, to acquire investment property, as defined in Section 148(b)(2) of the Code, which produces a materially higher yield over the term of such series of Bonds, other than investment property acquired with:

(1) proceeds of such series of Bonds invested for a reasonable temporary period of three (3) years or less, or, in the case of a refunding bond, for a period of ninety (90) days or less until such proceeds are needed for the purpose for which such series of Bonds are issued;

(2) amounts invested in a bona fide debt service fund, within the meaning of Section 1.148-1(b) of the Treasury Regulations; and

(3) amounts deposited in any reasonably required reserve or replacement fund, to the extent such amounts do not exceed ten percent (10%) of the proceeds of such series of Bonds;

(g) to otherwise restrict the use of the proceeds of such series of Bonds or amounts treated as proceeds of such series of Bonds, as may be necessary, so that such series of Bonds do not otherwise contravene the requirements of Section 148 of the Code (relating to arbitrage);

(h) to refrain from using the proceeds of such series of Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of such series of Bonds in contravention of the requirements of Section 149(d) of the Code (relating to advance refundings); and

(i) to pay to the United States of America, at least once during each five (5) year period beginning on the date of delivery of such series of Bonds, an amount that is at least equal to ninety percent (90%) of the “Excess Earnings,” within the meaning of Section 148(f) of the Code, and to pay to the United States of America, not later than sixty (60) days after such series of Bonds have been paid in full, one hundred percent (100%) of the amount then required to be paid as a result of Excess Earnings under Section 148(f) of the Code.

In order to facilitate compliance with the above covenant (i), a “Rebate Fund” is hereby established by the County for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation, the bondholders. The Rebate Fund is established for the additional purpose of compliance with Section 148 of the Code.

The County understands that the term “proceeds” includes “disposition proceeds,” as defined in the Treasury Regulations, and, in the case of refunding bonds, transferred proceeds, if any, and proceeds of the refunded bonds expended prior to the date of issuance of such series of Bonds. It is the understanding of the County that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated that modify or expand provisions of the Code, as applicable to such series of Bonds, the County will not be required to comply with any covenant contained herein, to the extent that such modification or expansion, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on such series of Bonds under Section 103 of the Code. In the event that regulations or rulings are hereafter promulgated that impose additional requirements that are applicable to such series of Bonds, the County agrees to comply with the additional requirements, to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on such series of Bonds under Section 103 of the Code. In furtherance of such intention, the County hereby authorizes and directs the Chair of the County to execute any documents,

certificates, or reports required by the Code, and to make such elections, on behalf of the County, which may be permitted by the Code as are consistent with the purpose for the issuance of such series of Bonds. The County covenants to comply with the covenants contained in this section after defeasance of such series of Bonds.

This Ordinance is intended to satisfy the official intent requirements set forth in Section 1.1502 of the Treasury Regulations relating to the projects identified in Section 1 of this Ordinance.

SECTION 15. *Allocation of, and Limitation on, Expenditures for the Project.* The County covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 1 of this Ordinance (the “Project”) on its books and records in accordance with the requirements of the Internal Revenue Code. The County recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the County recognizes that in order for proceeds to be expended under the Internal Revenue Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The County agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status, as applicable, of the Bonds. For purposes hereof, the County shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

SECTION 16. *Disposition of Project.* The County covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the County of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Bonds. For purpose of the foregoing, the County may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the tax exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the County shall not be obligated to comply with this covenant if it obtains an opinion

that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

SECTION 17. *Application to New Mexico Finance Authority.* Upon approval of the Application by the New Mexico Finance Authority, the Pricing Officer and the officers and employees of the County are further authorized to take such other action as may be requested by the New Mexico Finance Authority in its final approval of the Application and to further proceed with arrangements for financing the Project.

SECTION 18. *Further Procedures.* The Chair, County Clerk, County Manager, the Pricing Officer and all other officers, employees, and agents of the County, and each of them, shall be and they are hereby expressly authorized, empowered, and directed from time to time, and at any time, to do and perform all such acts and things and to execute, acknowledge, and deliver, in the name and under the corporate seal and on behalf of the County, all other instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Bonds, the Application and the sale of the Bonds. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 19. *Severability.* If any one or more provisions of this Ordinance should be determined by a court of competent jurisdiction to be contrary to law, any such provision shall be deemed separable from the remaining provisions hereof and the invalidity or unenforceability thereof shall in no way affect the validity or the enforceability of the other provisions of this Ordinance.

SECTION 20. *Repealer Clause.* All bylaws, orders, resolutions and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

SECTION 21. *Effective Date.* Upon due adoption of this Ordinance, it shall be recorded in the book of ordinances of the County kept for that purpose, and this Ordinance shall be in full force and effect 30 days thereafter, in accordance with law.

SECTION 22. General Summary for Publication. Pursuant to the general laws of the State, the title and a general summary of the subject matter contained in this Ordinance shall be published in substantially the following form:
