

WEATHERIZATION & ENERGY EFFICIENCY ACADEMY – **PART 2** CREW LEADER & ENERGY AUDITOR

Grant County, with funding from the U.S. Economic Development Administration, has partnered with Santa Fe Community College to conduct workforce development trainings.

These **FREE** online classes give students/participants the opportunity to earn badges in **WEATHERIZATION** and **ENERGY EFFICIENT** courses that are recognized throughout the country and aligned to industry standards. Students/Participants can earn the following badges:

❖ **CREW LEADER**

❖ **ENERGY AUDITOR**

PARTICIPANT REQUIREMENTS: No prior workforce training is required. Internet access is required. These classes can be taken anywhere you can connect to the internet. You can use a laptop or any mobile device - - even your cell phone!

WHO SHOULD ATTEND? Building industry individuals, Maintenance Department employees, and anyone interested in weatherization/energy efficiency for your home and/or business.

CREW LEADER

This class covers all the topics related to the Crew Leader that are not part of the Retrofit Installer job. For example, crew management, communication, health and safety for the crew and more!

Completion Time: 15 Hours; Approved for 15 BPI CEUs

ENERGY AUDITOR*

This class covers everything needed for the work of the energy auditor, except the actual hands-on practice, which can be done as a 1-day field class (max 3 people) at the SFCC training center. The online class is engaging with the ability to have both online student and instructor interaction.

**Prerequisite - Building Science Principles class (Part 1 of the County's Academy)*

Completion Time: 36-40 Hours; Approved for 36 BPI CEUs
