Subject: Technical Specification Letter – Motorola ASTRO 25 Radio System and APX Radios

Lieutenant Burns,

Motorola Solutions, Inc. ("Motorola") is pleased to present the Grant County with Technical Specifications for the next generation ASTRO APX Series portable radios. The pricing that was provided was based on the NM Contract #70-000-16-0014AJ. Motorola offers Motorola branded emergency preparedness hardware, software, and related services through this contract. Customers can purchase directly through this NM State contract. Contracts may be used by state and local government, public safety, other public entities in NM.

Motorola is the principal owner and technical provider of the technology described as the ASTRO 25 P25 Radio Communication System and APX Two-Way Radios used to protect and serve the public safety of your constituents, officers, and agencies that you communicate with during your day to day operations.

Motorola is the technical distributor of all of these products as well as any services and maintenance required to support this combination of technology. Motorola Solutions Inc., is located at 8316 Corona Loop NE Albuquerque, New Mexico 87113. Located there are Motorola's Solution badged and certified Field Service and System Technicians, which here to support and maintain the Motorola P25 Systems and APX Public Safety Radios.

---

Motorola Solutions, Inc. was formerly known as Motorola, Inc. and was renamed in connection with the January 4, 2011 spin off of the Motorola Mobility business. If you have any questions, please contact Manny Barreras at (505) 720-2067 or email at [James.Forrest@motorolasolutions.com](mailto:James.Forrest@motorolasolutions.com).

Sincerely,

*Jimmy Forrest*
