Re: Emergency P.O. – Jet Fuel

In accordance with NMSA 13-1-127, on Wednesday, August 02, 2023 an Emergency Purchase Order was issued to AvFuel Corporation in the amount of \$22,900.67. This was a single purchase for 7,301 gallons of jet fuel to actively support the United States Forest Service on several fires in the area as well as our commercial air carrier, Advanced Air. The Grant County Airport was forced to close operations until fuel could be obtained outside of our regular provider.
