To whom it may concern,

On behalf of the Grant County Sheriffs Office, I am requesting the donation of retired Drone devices/equipment by Freeport McMoRan for the use by the Grant County Sheriff's Office. These devices/equipment will greatly enhance not only a bird's eye view to our investigations and officer safety, but to enhance locating individuals in need of search and rescue throughout the communities of Grant County. This equipment will also greatly enhance both realism-in-training for our department and make possible more accurate review and debrief of all reality-based training exercises conducted.

I greatly appreciate your consideration of this request.

Respectfully,

Raul Villanueva, Sheriff  
Grant County Sheriff's Office
