

Grant County Rural Addressing

Grant County Administration Center • 1400 E. Highway 180 • Silver City, NM 88061
P.O. Box 898 • Silver City, NM 88062 • 575-574-0066 • Fax 575-574-0081

Address Application Form

County issued E-911 addresses will depend on the location of the existing or planned driveway and the number of residents planning to or currently utilizing it for access. Circumstances such as surrounding land sales or additional placement of homes may or may not cause your assigned address to change in the future.

Address Application Utility Verification

As per Ordinance #97-02-13A (Rural Addressing Ordinance) an “applicant” or “addressee” is defined as any person or persons owning, renting or leasing real property requiring utility service connections, upon which sits either a single family dwelling or a multiple family dwelling or business structure or upon which any such structure is planned to be built by such person or persons, and who is making application to the County Address Coordinator for a County Address, or who has obtained a County Address for that property.

Ordinance #97-02-13A Section III-11-A

All buildings and houses in the unincorporated areas of Grant County requiring utility service connections shall be numbered.
