Service
 Construction
 Item(s) of Tangible Personal Property

Detailed Description of the Items of the Prospective Contract

Grant County has an existing contract for operational financial software services with Tyler Technologies, Inc. (Incode module,) which is proprietary software. Grant County has a desire to implement a new time clock system for its employees that can integrate with our current software for operational, tracking, and reporting purposes.

Tyler Technologies, Inc. will provide proprietary software called "ExecuTime" which will interface with the current Incode Module and allow for import/export capabilities.

The cost for these services is as follows:

Initial Set-Up:	\$15,360.00
Biometric Readers (4):	\$10,780.00
Annual Service Fee:	\$ 6,793.00
