Following Governor Lujan Grisham's declaration of a public health emergency this week due to reported COVID-19 cases in New Mexico, the Grant County Clerk's Office will until further notice suspend all in-person services with the exception of in-person activities related to Marriage License (by appointment only), which will require immediate processing.

All other services the Office provides will be available online, mail, email or by telephone.

We apologize for any inconvenience these temporary changes may cause, this is a productive and proactive response to the current challenges faced by the COVID-19 virus in order to limit its potential community spread.

With the exception of those services previously noted, there will be no further face-to-face processing at the Grant County Clerk's Office for the time being, and if a customer comes to the building, there is a drop box in front of the building that prepared paperwork can be dropped off, the final documentation will be mailed to the customer after completion.

For the Grant County Clerk's related questions may be emailed to grantmcastri@cybermesa.com

Questions may be directed to our general number at 575-574-0042.
