Same Day Voter Registration

Voters will be able to register or update an existing registration, other than party affiliation for those already registered with a major political party, and cast a ballot on the same day during Early Voting and on Election Day at a polling location.

Voters that are registered as DTS or with a minor party can vote in the Primary Election using same day voter registration during Early Voting or on Election Day at a polling location by updating their registration to one of the major parties (Democratic, Republican or Libertarian). You can then vote in the Primary Election for whichever major party you’ve chosen.

In order to register to vote or update an existing registration a person must provide the following:
1. A New Mexico Driver’s License or New Mexico Identification Card issued through the MVD;
2. Any document that contains an address in the county together with a photo identification card; or
3. A current valid student photo identification card from a post-secondary educational institution in New Mexico accompanied by a current student fee statement that contains the student’s address in the county.

VCC’s

Voter Convenience Centers (VCC) is an Election Day polling location that is available to any registered voter of Grant County regardless of their designated precinct.

VCC’s give voters more flexibility on Election Day since they are not constrained to any specific polling location. There are enough voting stations and voting machine tabulators to accommodate the Election Day voters of Grant County.
